Item 1.01. Entry into a Material Definitive Agreement.

13.000% Senior Secured Notes due 2024

On May 29, 2020, Cooper-Standard Holdings Inc.'s (the "Company") wholly-owned subsidiary, Cooper-Standard Automotive Inc. (the "Issuer"), issued \$250,000,000 aggregate principal amount of its 13.000% Senior Secured Notes due 2024 (the "Notes"), pursuant to the Indenture, dated as of May 29, 2020 (the "Indenture"), by and among the Issuer, the guarantors party thereto (collectively, the "Guarantors") and U.S. Bank National Association, as trustee and collateral agent (the "Collateral Agent").

The Notes are guaranteed by CS Intermediate HoldCo 1 LLC ("Holdings") and (i) each of the Issuer's subsidiaries that guarantee the credit agreement, dated April 4, 2014, between Holdings, the lenders party thereto, Deutsche Bank AG New York Branch, as administrative agent and collateral agent for such lenders, Merrill Lynch, Pierce, Fenner & Smith Incorporated, as syndication agent for such lenders, Deutsche Bank Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, Barclays Bank plc and UBS Securities LLC, as joint lead arrangers and joint bookrunners and the other parties thereto (as amended to date, the "Term Loan Facility"); and (ii) each of the Issuer's wholly-owned domestic subsidiaries that guarantee certain other indebtedness, subject to certain exceptions. The notes are also guaranteed on a senior unsecured basis by Cooper-Standard Latin America B.V. (the "Dutch Guarantor"), which also guarantees the Term Loan Facility.

The Notes will mature on June 1, 2024. Interest on the Notes is payable semi-annually in arrears in cash on June 1 and December 1 of each year, commencing on December 1, 2020.

The Issuer may redeem all or part of the Notes at any time prior to June 1, 2022 at a price equal to 100% of the principal amount of such Notes redeemed plus accrued and unpaid interest to, but excluding, the redemption date and a "Make-Whole Premium," as described in the Indenture. The Issuer may redeem the Notes at any time on or after June 1, 2022 at the redemption prices set forth in the Indenture. In addition, the Issuer may redeem up to 35% of the Notes prior to June 1, 2022 with an amount equal to or less than the net cash proceeds from certain equity offerings at the redemption price set forth in the Indenture.

Upon the occurrence of certain events constituting a Change of Control (as defined in the Indenture), the Issuer will be required to make an offer to repurchase all of the Notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date.

The Indenture contains certain covenants that limit the Issuer's and its restricted subsidiaries' ability to, among other things, incur or guarantee additional indebtedness or issue certain preferred stock; incur liens on assets, pay dividends or make other distributions in respect of, or repurchase or redeem, their capital stock or make other restricted payments; prepay, redeem or repurchase certain debt; make certain loans and investments; enter into agreements restricting certain subsidiaries' ability to pay dividends; enter into transactions with affiliates; and sell certain assets or merge or consolidate with or into other companies. These covenants are subject to a number of important limitations and exceptions. The Indenture also provides for events of default, which, if any occur, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then-outstanding Notes to be due and payable immediately.

In connection with the issuance of the Notes and execution of the Indenture, the Issuer and the Guarantors entered into a pledge and security agreement, dated as of May 29, 2020 (the "Pledge and Security Agreement"), among the Issuer, the Guarantors (other than the Dutch Guarantor) and the Collateral Agent. Pursuant to the Pledge and Security Agreement, the obligations of the Issuer and the Guarantors (other than the Dutch Guarantor) will be secured on (i) a first-priority basis, equally and ratably with all the Issuer's and Guarantor's obligations (other than the Dutch Guarantor) under any other *pari passu* indebtedness, including the Term Loan Facility, by liens on substantially all of the Issuer's and each Guarantor's (other than the Dutch Guarantor) assets (other than ABL Facility Priority Collateral (as defined below)), and (ii) a second-priority basis by liens on the Issuer's and each Guarantor's (other than the Dutch Guarantor) accounts receivable, inventory, instruments, chattel paper and other contracts, evidencing, or substituted for, any accounts receivable, guarantees, letters of credit, security and other credit enhancements in each case for the accounts receivable, commercial tort claims and general intangibles to the extent relating to any of the accounts receivable or inventory, bank accounts or securities accounts into which any proceeds of accounts receivable or inventory are deposited, tax refunds, and books and records relating to any of the foregoing (the "ABL Facility Priority Collateral") and, in each case, any proceeds thereof, subject to certain exceptions set forth in such agreement.

On May 29, 2020, the Collateral Agent also entered into (i) an amended and restated intercreditor agreement with the collateral agent under the third amended and restated loan agreement among the Issuer, Cooper-Standard Automotive Canada Limited and Cooper-Standard Automotive International Holdings B.V., the lenders party thereto and Bank of America, N.A. as

agent for such lenders (as amended to date, the “ABL Facility”), on the one hand, and the collateral agent under the Term Loan Facility, on the other hand, and the several other parties named therein as to the relative priorities of their respective security interests in the assets securing the Notes, the ABL Facility, the Term Loan Facility and certain other matters relating to the administration of security interests; and (ii) a pari passu intercreditor agreement with the collateral agent under the Term Loan Facility, the Issuer and the several other parties named therein as to the relative priorities of their respective security interests in the assets securing the Notes and the Term Loan Facility and certain other matters relating to the administration of security interests.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Indenture attached hereto as Exhibit 4.1 and incorporated herein by reference.

“Consolidated Fixed Charge Coverage Ratio” means the ratio of (A) Consolidated EBITDA of the Issuer and its Restricted Subsidiaries during the most recent four consecutive full fiscal quarters for which financial statements are available (the “Four-Quarter Period”) ending on or prior to the date of the transaction giving rise to the need to calculate the Consolidated Fixed Charge Coverage Ratio (the “Transaction Date”) to (B) Consolidated Fixed Charges of the Issuer and its Restricted Subsidiaries for the Four-Quarter Period.

For purposes of this definition, Consolidated EBITDA and Consolidated Fixed Charges shall be calculated after giving effect on a pro forma basis for the period of such calculation to the incurrence of any Indebtedness or the issuance of any Preferred Stock of the Issuer or any Restricted Subsidiary (and the application of the proceeds thereof) and any repayment, retirement or extinguishment of Indebtedness or redemption of other Preferred Stock (and the application of the proceeds therefrom) (other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to any revolving credit arrangement unless such Indebtedness has been permanently repaid and has not been replaced) occurring during the Four-Quarter Period or at any time subsequent to the last day of the Four-Quarter Period and on or prior to the Transaction Date, as if such incurrence, repayment, retirement, extinguishment, issuance or redemption, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four-Quarter Period.

For purposes of making the computation referred to above, investments, acquisitions, dispositions, mergers, amalgamations, consolidations and disposed operations (as determined in accordance with GAAP) and operational changes that have been made by the Issuer or any of its Restricted Subsidiaries during the Four-Quarter Period or subsequent to such Four-Quarter Period and on or prior to or simultaneously with the Transaction Date shall be calculated on a *pro forma* basis assuming that all such investments, acquisitions, dispositions, mergers, amalgamations, consolidations, disposed operations and operational changes (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the Four-Quarter Period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged or amalgamated with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any investment, acquisition, disposition, merger, amalgamation, consolidation, disposed operation or operational change that would have required adjustment pursuant to this definition, then the Consolidated Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such Four-Quarter Period as if such investment, acquisition, disposition, merger, amalgamation, consolidation, disposed operation or operational change had occurred at the beginning of the Four-Quarter Period; *provided* that, notwithstanding any classification under GAAP of any Person or business in respect of which a definitive agreement for the disposition thereof has been entered into as discontinued operations, such transaction shall not be treated as a disposition or a discontinued operation for purposes of the calculation of the Consolidated Fixed Charge Coverage Ratio until such transaction shall have been consummated.

For purposes of this definition, whenever pro forma effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible officer of the Issuer (and may include, for the avoidance of doubt and without duplication, cost savings, operating expense reductions and synergies resulting from any asset sale or other disposition or such investment, acquisition, disposition, merger, amalgamation or consolidation or discontinued operation which is being given pro forma effect that have been or are expected to be realized, in each case any such adjustments may be incremental to (but not duplicative of) pro forma adjustments made pursuant to clause (7) of the definition of "Consolidated EBITDA" and calculated in accordance with and subject to the limitations set forth in clause (7) of the definition of "Consolidated EBITDA"). In addition to such adjustments pro forma calculations may also include Pro Forma Cost Savings.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Transaction Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness with a remaining term of 12 months or longer, and in the case of any Hedging Obligation applicable to such Indebtedness with a remaining term of less than 12 months, taking into account such Hedging Obligation to the extent of its remaining term). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period or, if lower, the maximum commitments under such revolving Credit Facility as of the Transaction Date. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

(3) consolidated capitalized interest of such Person and its Restricted Subsidiaries for such period, whether paid or accrued;

less interest income for such period; *provided* that, for purposes of calculating Consolidated Interest Expense, no effect shall be given to the discount and/or premium resulting from the bifurcation of derivatives under FASB ASC 815 and related interpretations as a result of the terms of the Indebtedness to which such Consolidated Interest Expense relates.

In the event that the Issuer or any Restricted Subsidiary incurs, redeems, retires, defeases or extinguishes any Total Debt (other than Indebtedness under a revolving credit facility unless such Indebtedness has been permanently paid and not replaced) subsequent to the commencement of the period for which the Total Net Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Total Net Leverage Ratio is made, then the Total Net Leverage Ratio shall be calculated giving pro forma effect to such incurrence, redemption, retirement, defeasance or extinguishment of Total Debt as if the same had occurred at the beginning of the applicable Four-Quarter Period. Notwithstanding anything to the contrary set forth in the definition of “Consolidated EBITDA” (and all component definitions referenced in such definitions), whenever pro forma effect is to be given to acquisition, disposition or incurrence, redemption, retirement, defeasance or extinguishment of Total Debt, the pro forma calculations shall be determined in good faith by a responsible officer of the Issuer.

(2) any Subsidiary of an Unrestricted Subsidiary.

The Board of Directors of the Issuer may designate any Subsidiary of the Issuer (including any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Capital Stock or Indebtedness of, or holds any Lien on any property of, the Issuer or any other Subsidiary of the Issuer that is not a Subsidiary of the Subsidiary to be so designated; provided, however, that either (A) the Subsidiary to be so designated has total assets of \$1,000 or less or (B) if such Subsidiary has assets greater than \$1,000, such designation would be permitted under Section 4.10.

The Board of Directors of the Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided, however, that immediately after giving effect to such designation (A) the Issuer could incur \$1.00 of additional Indebtedness under Section 4.09(a) and (B) no Default shall have occurred and be continuing. Any such designation by the Board of Directors of the Issuer shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors of the Issuer giving effect to such designation and an Officer’s Certificate certifying that such designation complied with the foregoing provisions.

ARTICLE II
THE SECURITIES

Section 2.01 Amount of Notes.

The Trustee shall initially authenticate \$250,000,000 aggregate principal amount of Notes for original issue on the Issue Date upon an Issuer Order, together with an Officer's Certificate; *provided* that an Opinion of Counsel shall not be required in connection with such issuance, authentication and delivery of the Notes on the Issue Date. The Trustee shall authenticate additional Notes ("Additional Notes") thereafter in unlimited amount for original issue upon an Issuer Order (an "Authentication Order") in aggregate principal amount as specified in such Authentication Order. The Trustee shall also authenticate (i) replacement Notes as provided in Section 2.08, (ii) temporary Notes as provided in Section 2.11, (iii) Notes issued in connection with certain transfers and exchanges as provided in Sections 2.07, 2.16 and 2.17, (iv) Notes issued in connection with a partial redemption of the Notes as provided in Section 3.06 or a partial repurchase of a Note as provided in Sections 4.07 and 4.08 and (v) Notes exchanged as provided in Section 8.05, in each case, upon an Authentication Order in aggregate principal amount as specified in such order. Each such written order shall specify the principal amount of Notes to be authenticated and the date on which the Notes are to be authenticated. Unless the context requires otherwise, references to "Notes" for all purposes of this Indenture include any Additional Notes that are actually issued.

Section 2.02 Form and Dating; Legends.

The Notes and the Trustee's certificate of authentication with respect thereto shall be substantially in the form set forth in Exhibit A, each of which is incorporated in and forms a part of this Indenture. Each Note shall be dated the date of its authentication.

The Notes may have notations, legends or endorsements required by law, rule or usage to which the Issuer is subject. Without limiting the generality of the foregoing, Notes offered and sold to Qualified Institutional Buyers in reliance on Rule 144A ("Rule 144A Notes"), Notes offered and sold to Non-U.S. Persons in offshore transactions in reliance on Regulation S ("Regulation S Notes") and all other Restricted Global Notes shall bear the Private Placement Legend. All Global Notes shall bear the Global Note Legend. Regulation S Notes shall bear the Regulation S Legend. Notes issued with original issue discount shall bear the Original Issue Discount Legend.

The terms and provisions contained in the Notes shall constitute, and are expressly made, a part of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and agree to be bound thereby. If there is a conflict between the terms of the Notes and this Indenture, the terms of this Indenture shall govern.

The Notes may be presented for registration of transfer and exchange at the offices of the Registrar.

Section 2.03 Execution and Authentication.

The Notes shall be executed on behalf of the Issuer by one Officer of the Issuer. The signature of such Officer on the Notes may be manual, facsimile or electronic (including “.pdf”).

If an Officer whose signature is on a Note was an Officer at the time of such execution but no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual, facsimile or electronic (including “.pdf”) signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, and the Issuer shall deliver such Note to the Trustee for cancellation as provided in Section 2.12, for all purposes of this Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Notes. Unless otherwise provided in the appointment, an authenticating agent may authenticate the Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuer and Affiliates of the Issuer. Each Paying Agent is designated as an authenticating agent for purposes of this Indenture.

Notes shall be issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

Section 2.04 Registrar and Paying Agent.

The Issuer shall maintain (a) an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”), (b) an office or agency in the Borough of Manhattan, The City of New York, the State of New York or in the city in the United States in which the Trustee’s Corporate Trust Office is located, where Notes may be presented for payment (the “Paying Agent”) and (c) an office or agency where notices and demands to or upon the Issuer, if any, in respect of the Notes and this Indenture may be served. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Registrar shall provide a copy of such register from time to time upon request of the Issuer. The Issuer may appoint one or more co-registrars and one or more additional Paying Agents. The term “Registrar” includes any co-registrars. The term “Paying Agents” means the Paying Agent and any additional Paying Agents. The Issuer may change any Paying Agent or Registrar without notice. The Issuer or any Restricted Subsidiaries may act as Registrar or a Paying Agent.

The Issuer shall enter into an appropriate agency agreement with any Agent that is not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Issuer shall notify the Trustee of the name and address of any such Agent. If the Issuer fails to maintain a Registrar or any required co-registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07.

The Issuer initially appoints the Trustee as Registrar, Paying Agent and Depository Custodian.

The Issuer initially appoints The Depository Trust Company to act as Depository with respect to the Global Notes. The Issuer may change the Depository at any time without notice to any Holder, but the Issuer will notify the Trustee of the name and address of any new Depository.

The Issuer shall be responsible for making calculations called for under the Notes, including but not limited to determination of redemption price, premium, if any, and any additional amounts or other amounts payable on the Notes. The Issuer will make the calculations in good faith and, absent manifest error, its calculations will be final and binding on the Holders. The Issuer will provide a schedule of its calculations to the Trustee when reasonably requested by the Trustee, and the Trustee is entitled to rely conclusively on the accuracy of the Issuer’s calculations without independent verification. The Trustee shall forward the Issuer’s calculations referred to above in this paragraph to any Holder upon the written request of such Holder.

Section 2.05 Paying Agent To Hold Money in Trust.

The Paying Agent shall hold in trust for the benefit of the Noteholders or the Trustee all money held by the Paying Agent for the payment of principal of or premium or interest on the Notes (whether such money has been paid to it by the Issuer, one or more of the Guarantors or any other obligor on the Notes), and the Issuer and the Paying Agent shall notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making any such payment. Money held in trust by a Paying Agent need not be segregated except as required by law and in no event shall a Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to a Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, such Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.06 Noteholder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Noteholders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least two Business Days before each Interest Payment Date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Noteholders.

Section 2.07 Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Notes are presented to the Registrar with a request from the Holder of such Notes to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer as requested. Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorneys duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall issue and execute and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate new Notes (and the Guarantors shall execute the Guarantees thereon) evidencing such transfer or exchange at the Registrar's request. No service charge shall be made to the Noteholder for any registration of transfer or exchange. The Issuer or the Trustee may require from the Noteholder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06, 4.07, 4.08 or 8.05 (in which events the Issuer shall be responsible for the payment of such taxes). The Registrar shall not be required to exchange or register a transfer of any Note for a period of 15 days immediately preceding the mailing of notice of redemption of Notes to be redeemed or of any Note selected, called or being called for redemption except the unredeemed portion of any Note being redeemed in part.

Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in the Global Note shall be required to be reflected in a book entry. By its acceptance of any Note bearing the Private Placement Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture.

Section 2.08 Replacement Notes.

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate a replacement Note (and the Guarantors shall execute the Guarantees thereon) if the Holder of such Note furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Issuer, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Issuer, the Guarantors, the Trustee, the Registrar and any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Issuer may charge such Holder for the Issuer's reasonable out-of-pocket expenses in replacing such Note and the Trustee may charge the Issuer for the Trustee's reasonable out-of-pocket expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note and may require the payment of a sum sufficient to cover any tax, assessment, fee or other charge that may be imposed in relation thereto and any other expenses (including the reasonable out-of-pocket fees and expenses of the Trustee) connected therewith. Every replacement Note shall constitute a contractual obligation of the Issuer. The provisions of this Section 2.08 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of lost, destroyed, mutilated or wrongfully taken Notes.

Section 2.09 Outstanding Notes.

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those canceled by or on behalf of the Trustee, (b) those accepted by the Trustee for cancellation, (c) those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, (d) to the extent set forth in Sections 9.01, 9.02 and 9.03, on or after the date on which the conditions set forth in Section 9.01, 9.02 or 9.03 have been satisfied, those Notes theretofore authenticated by the Trustee hereunder and (e) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Issuer or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to the Trustee and the Issuer that the replaced Note is held by a bona fide purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer.

If a Paying Agent holds, in its capacity as such, on any Maturity Date, Redemption Date or purchase date, U.S. Dollars sufficient to pay all accrued and unpaid interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes shall cease to be outstanding and interest on them shall cease to accrue.

Section 2.10 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or any other Affiliate of the Issuer shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has actually received an Officer's Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer, a Guarantor, any other obligor on the Notes or any of their respective Affiliates.

Section 2.11 Temporary Notes.

Until definitive Notes are prepared and ready for delivery, the Issuer may prepare and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

Section 2.12 Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in its customary manner. The Issuer may not reissue or resell or issue new Notes to replace Notes that the Issuer has redeemed or paid, or that have been delivered to the Trustee for cancellation.

Section 2.13 Defaulted Interest.

If the Issuer defaults on a payment of interest on the Notes, the Issuer shall pay the defaulted interest then borne by the Notes plus (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders thereof on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. If such default continues for thirty (30) days, the Issuer shall fix such special record date and payment date in a manner satisfactory to the Trustee. At least 10 days before such special record date, the Issuer (or upon the written request of the Issuer, the Trustee, in the name and at the expense of the Issuer) shall mail to each affected Noteholder a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee. If the Issuer elects for the Trustee to send such notice to the Holders then the Issuer shall provide such notice to the Trustee at least five (5) days (or such shorter time as may be agreed by the Trustee in its discretion) before such notice is required to be mailed to the Holders.

Notwithstanding the foregoing, any interest which is paid prior to the expiration of the 30-day period set forth in Section 6.01(1) shall be paid to Holders as of the record date for the Interest Payment Date for which interest has not been paid.

Section 2.14 CUSIP and ISIN Numbers.

The Issuer in issuing the Notes may use "CUSIP" and "ISIN" numbers, and if so used, such CUSIP and ISIN numbers shall be included in notices as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP or ISIN numbers printed in the notice or on the Notes, that reliance may be placed only on the other identification numbers printed on the Notes, and any such notice shall not be affected by any defect in or omission of such CUSIP or ISIN numbers. The Issuer shall promptly notify the Trustee, in writing, of any such CUSIP or ISIN number used by the Issuer in connection with the issuance of the

Notes and of any change in any such CUSIP or ISIN number. In the case of any Additional Notes that are not fungible with the Notes for U.S. federal income tax purposes, such Additional Notes will have a separate CUSIP number and ISIN number from the Notes.

Section 2.15 Deposit of Moneys.

Prior to noon, New York City time, on each Interest Payment Date and Maturity Date, the Issuer shall have deposited with the Paying Agent in immediately available funds U.S. Dollars sufficient to make cash payments, if any, due on such Interest Payment Date or Maturity Date, as the case may be, in a timely manner which permits such Paying Agents to remit payment to the Holders on such Interest Payment Date or Maturity Date, as the case may be. The principal and interest on Global Notes shall be payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Global Notes represented thereby. The principal and interest on Physical Notes shall be payable, either in person, by wire transfer or by mail, at the office of the Paying Agent. Final payment of principal on the Maturity Date will only be made by the Trustee upon surrender of the related Note to the Trustee at its Corporate Trust Office.

Section 2.16 Book-Entry Provisions for Global Notes.

(a) Rule 144A Notes initially shall be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Rule 144A Global Note"). Regulation S Notes initially shall be represented by one or more Notes in registered, global form without interest coupons (collectively, the "Regulation S Global Note"). The term "Global Notes" means the Rule 144A Global Note and the Regulation S Global Note. The Global Notes shall bear the Global Note Legend. The Global Notes initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case, for credit to an account of an Agent Member, (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear the Private Placement Legend.

Members of, or direct or indirect participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or under the Global Notes. The Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note. None of the Issuer, the Trustee, the Paying Agent nor the Registrar shall have any responsibility or liability for any acts or omissions of the Depository with respect to such Global Note, for the records of the Depository, including records in respect of the beneficial owners of any such Global Note, for any transactions between the Depository and any Agent Member or between or among the Depository, any such Agent Member and/or any Holder or beneficial owner of such Global Note, or for any transfers of beneficial interests in any such Global Note.

(b) Transfers of Global Notes shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Physical Notes only in accordance with the applicable rules and procedures of the Depository and the provisions of Section 2.17. In addition, a Global Note shall be exchangeable for Physical Notes (i) if requested by a holder of such interests upon receipt by the Trustee of written instructions from the Depository or its nominee on behalf of any beneficial owner and in accordance with the rules and procedures of the Depository and provisions of this Section 2.16 or (ii) if the Depository notifies the Issuer that it is unwilling or unable to continue as depository for such Global Note and the Issuer thereupon fail to appoint a successor depository within 120 days or (iii) if the Depository has ceased to be a clearing agency registered under the Exchange Act or (iv) if there shall have occurred and be continuing an Event of Default with respect to such Global Note and the Depository has requested such exchange. In all cases, Physical Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository in accordance with its customary procedures.

(c) In connection with the transfer of a Global Note as an entirety to beneficial owners pursuant to subsection (b) of this Section 2.16, such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Physical Notes of authorized denominations.

(d) Any Restricted Physical Note delivered in exchange for an interest in a Global Note pursuant to Section 2.17 shall, except as otherwise provided in Section 2.17, bear the Private Placement Legend.

(e) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.17 Transfer and Exchange of Notes.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except as set forth in Section 2.16(b). Global Notes will not be exchanged by the Issuer for Physical Notes except under the circumstances described in Section in Section 2.16(b). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.11. Beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.17(b) or 2.17(f).

(b) Transfer and Exchange of Beneficial Interests in Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the applicable rules and procedures of the Depository. Beneficial interests in Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Beneficial interests in Global Notes shall be transferred or exchanged only for beneficial interests in Global Notes. Transfers and exchanges of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that prior to the 40th day after the later of the commencement of the offering of the Notes represented by a Regulation S Global Note and the issue date of such Notes (such period through and including such 40th day, the "Restricted Period"), transfers of beneficial interests in a Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). A beneficial interest in an Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.17(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests in any Global Note that is not subject to Section 2.17(b)(i), the transferor of such beneficial interest must deliver to the Registrar (1) a written order from an Agent Member given to the Depository in accordance with the applicable rules and procedures of the Depository directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the applicable rules and procedures of the Depository containing information regarding the Agent Member account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.17(f).

(iii) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in a Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.17(b)(ii) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a Rule 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit F, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit F, including the certifications in item (2) thereof.

(iv) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in a Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.17(b)(ii) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit G, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit F, including the certifications in item (4) thereof,

and, in each such case, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act. If any such transfer or exchange is effected pursuant to this subparagraph (iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred or exchanged pursuant to this subparagraph (iv).

(v) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Restricted Global Note. Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer and Exchange of Beneficial Interests in Global Notes for Physical Notes. A beneficial interest in a Global Note may not be exchanged for a Physical Note except under the circumstances described in Section 2.16(b). A beneficial interest in a Global Note may not be transferred to a Person who takes delivery thereof in the form of a Physical Note except under the circumstances described in Section 2.16(b).

(d) Transfer and Exchange of Physical Notes for Beneficial Interests in Global Notes. Transfers and exchanges of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i), (ii) or (iii) below, as applicable:

(i) Restricted Physical Notes to Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Physical Note proposes to exchange such Restricted Physical Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Physical Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Physical Note proposes to exchange such Restricted Physical Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit G, including the certifications in item (2)(a) thereof;

(B) if such Restricted Physical Note is being transferred to a Qualified Institutional Buyer in accordance with Rule 144A under the Securities Act, a certificate to the effect set forth in Exhibit F, including the certifications in item (1) thereof;

(C) if such Restricted Physical Note is being transferred to a Non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904 under the Securities Act, a certificate to the effect set forth in Exhibit F, including the certifications in item (2) thereof;

(D) if such Restricted Physical Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate to the effect set forth in Exhibit F, including the certifications in item (3)(a) thereof;

(E) [Reserved]; or

(F) if such Restricted Physical Note is being transferred to the Issuer or a Subsidiary thereof, a certificate to the effect set forth in Exhibit F, including the certifications in item (3)(b) thereof;

the Trustee shall cancel the Restricted Physical Note, and increase or cause to be increased the aggregate principal amount of the appropriate Restricted Global Note.

(ii) Restricted Physical Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Physical Note may exchange such Restricted Physical Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Physical Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(A) if the Holder of such Restricted Physical Note proposes to exchange such Restricted Physical Note for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit G, including the certifications in item (1)(b) thereof; or

(B) if the Holder of such Restricted Physical Notes proposes to transfer such Restricted Physical Note to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit F, including the certifications in item (4) thereof,

and, in each such case, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act. Upon satisfaction of the conditions of this subparagraph (ii), the Trustee shall cancel the Restricted Physical Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. If any such transfer or exchange is effected pursuant to this subparagraph (ii) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Restricted Physical Notes transferred or exchanged pursuant to this subparagraph (ii).

(iii) Unrestricted Physical Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Physical Note may exchange such Unrestricted Physical Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Physical Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Physical Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes. If any such transfer or exchange is effected pursuant to this subparagraph (iii) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of Unrestricted Physical Notes transferred or exchanged pursuant to this subparagraph (iii).

(iv) Unrestricted Physical Notes to Beneficial Interests in Restricted Global Notes. An Unrestricted Physical Note cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(e) Transfer and Exchange of Physical Notes for Physical Notes. Upon request by a Holder of Physical Notes and such Holder's compliance with the provisions of this Section 2.17(e), the Registrar shall register the transfer or exchange of Physical Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Physical Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.17(e).

(i) Restricted Physical Notes to Restricted Physical Notes. A Restricted Physical Note may be transferred to and registered in the name of a Person who takes delivery thereof in the form of a Restricted Physical Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit F, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904 under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit F, including the certifications in item (2) thereof;

(C) if the transfer will be made pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144 under the Securities Act, a certificate to the effect set forth in Exhibit F, including the certifications in item (3)(a) thereof;

(D) [Reserved]; and

(E) if such transfer will be made to the Issuer or a Subsidiary thereof, a certificate to the effect set forth in Exhibit F, including the certifications in item (3)(b) thereof.

(ii) Restricted Physical Notes to Unrestricted Physical Notes. Any Restricted Physical Note may be exchanged by the Holder thereof for an Unrestricted Physical Note or transferred to a Person who takes delivery thereof in the form of an Unrestricted Physical Note if the Registrar receives the following:

(1) if the Holder of such Restricted Physical Note proposes to exchange such Restricted Physical Note for an Unrestricted Physical Note, a certificate from such Holder in the form of Exhibit G, including the certifications in item (1)(c) thereof; or

(2) if the Holder of such Restricted Physical Note proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Physical Note, a certificate from such Holder in the form of Exhibit F, including the certifications in item (4) thereof,

and, in each such case, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(iii) Unrestricted Physical Notes to Unrestricted Physical Notes. A Holder of an Unrestricted Physical Note may transfer such Unrestricted Physical Notes to a Person who takes delivery thereof in the form of an Unrestricted Physical Note at any time. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Physical Notes pursuant to the instructions from the Holder thereof.

(iv) Unrestricted Physical Notes to Restricted Physical Notes. An Unrestricted Physical Note cannot be exchanged for, or transferred to a Person who takes delivery thereof in the form of, a Restricted Physical Note.

(f) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Physical Notes or a particular Global

Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.12. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Physical Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(g) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (ii) such Note has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officer's Certificate from the Issuer to such effect.

(h) General. All Global Notes and Physical Notes issued upon any registration of transfer or exchange of Global Notes or Physical Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Physical Notes surrendered upon such registration of transfer or exchange.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.16 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the Registrar.

None of the Issuer, the Trustee, Paying Agent nor any Agent of the Issuer shall have any responsibility or liability in any respect of the records relating to or payment made on account of beneficial interests in a Global Note, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Neither the Trustee nor the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Agent Members or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.18 Computation of Interest.

Interest on the Notes shall be computed on the basis of a 360-day year, comprising twelve 30-day months and, in the case of an incomplete month, the number of actual days elapsed.

Section 2.19 Additional Amounts.

All payments made by or on behalf of any of the Guarantors under or with respect to the Notes and the Note Guarantees will be made free and clear of and without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied (including any penalties and interest related thereto) ("Taxes") unless the withholding or deduction of such Taxes is then required by law or by the official interpretation or administration thereof. If, with respect to a Guarantor, any withholding or deduction for, or on account of, any Taxes imposed or levied by or on behalf of (i) any jurisdiction (other than the United States) in which such Guarantor is then incorporated, organized, engaged in business or resident for tax purposes, or any political subdivision or governmental authority thereof or therein having power to tax or (ii) any jurisdiction (other than the United States) from or through which payment is made by or on behalf of such Guarantor (each, a "Tax Jurisdiction"), will at any time be required to be made from any payments made by or on behalf of such Guarantor with respect to the Notes or its Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, such Guarantor will pay such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received in respect of such payments by each Holder (including payments of Additional Amounts) after such withholding or deduction will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts will be payable with respect to:

(1) any Taxes that would not have been imposed but for the Holder or beneficial owner of the Notes being a citizen, resident or national of, incorporated in or carrying on a business in the relevant Tax Jurisdiction in which such Taxes are imposed, or having any other present or former connection with the relevant Tax Jurisdiction in which such Taxes are imposed other than by the mere acquisition or holding of any Note or the enforcement or receipt of payment under or in respect of any Note or any Note Guarantee;

(2) any Taxes imposed or withheld as a result of the failure of the Holder or beneficial owner of the Notes to comply with any written request, made to the Holder or beneficial owner in writing at least 90 days before any such withholding or deduction would be made, by the Issuer or any of the Guarantors to provide timely or accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification information or other reporting requirements (to the extent such Holder or beneficial owner is legally eligible to do so), which is required or imposed by a statute, treaty, regulation or administrative practice of the relevant Tax Jurisdiction as a precondition to exemption from all or part of such Taxes;

(3) any Taxes that are imposed or withheld as a result of the presentation of any Note for payment (where Notes are in the form of definitive notes and presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(4) any estate, inheritance, gift, sales, use, transfer, personal property or similar Taxes;

(5) any Taxes which are payable otherwise than by deduction or withholding from payments made under or with respect to any Guarantee;

(6) any Taxes that were imposed with respect to any payment under or with respect to the Notes and the Note Guarantees to any Holder of a Note who is a fiduciary or partnership or Person other than the sole beneficial owner of such payment to the extent that a beneficiary or settlor with respect to such fiduciary or a partner of such partnership or a beneficial owner would be required to include such payment in its income under the laws of the relevant Tax Jurisdiction and would not have been entitled to receive payment of the Additional Amounts had the beneficiary, settlor, partner or beneficial owner been the Holder of such Note;

(7) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the Code, as of the Issue Date (or any amended or successor version of such sections that is substantively comparable and not materially more onerous to comply with), any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States with respect to the foregoing or any law or regulation adopted pursuant to any such intergovernmental agreement, or any agreements entered into pursuant to Section 1471(b) (1) of the Code; or

(8) any combination of items (1) through (7) above.

In addition to the foregoing, the Dutch Guarantor will pay and indemnify the Holders for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise, property or similar taxes levied by The Netherlands on or in connection with the execution, delivery, registration or enforcement of the Note Guarantee provided by the Dutch Guarantor or with respect to any payment to a Holder of Notes thereunder (limited, solely in the case of taxes attributable to the receipt of any payments with respect thereto, to any such taxes that are not excluded under clauses (1) through (4) and (6) through (7) or any combination thereof).

If the Issuer or any Guarantor becomes aware that any Guarantor will be obligated to pay Additional Amounts with respect to any payment under or with respect to any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date at least 30 days prior to the date of payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificate must also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts on the relevant payment date. The Trustee shall be entitled to rely solely on such Officer's Certificate as conclusive proof that such payments are necessary. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts.

The relevant Guarantor will make all deductions and withholding of Taxes required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each relevant Tax authority evidencing the payment of any Taxes so deducted or withheld. Upon written request, the relevant Guarantor will furnish to the Holders, within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Guarantor, or if, notwithstanding such Guarantor's efforts to obtain receipts, receipts are not obtained, other evidence of payments by such Guarantor.

Whenever this Indenture mentions the payment of amounts based on the principal amount, interest or any other amount payable under, or with respect to, any Note Guarantee, such mention shall be deemed to include the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The above obligations will survive any termination, defeasance or discharge of this Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to any Guarantor is then incorporated, organized, engaged in business or resident for tax purposes, or any political subdivision or governmental authority thereof or therein having power to tax or any jurisdiction from or through which payment is made by or on behalf of any Guarantor.

ARTICLE III.
REDEMPTION

Section 3.01 Election To Redeem; Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to paragraph 5 of the Notes, at least 2 Business Days (or such shorter time period as the Trustee may agree) before notice of redemption is required to be sent or caused to be sent to Holders pursuant to Section 3.03 but not more than 65 days before the Redemption Date (except as set forth in the last paragraph of Section 3.03), the Issuer shall furnish to the Trustee an Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note pursuant to which the redemption shall occur, (b) the principal amount of Notes to be redeemed, (c) the Redemption Date and (d) the redemption price(s) (or manner of calculation if not then known); *provided* that no Opinion of Counsel pursuant to Section 12.04 or otherwise shall be required in connection with the delivery of such notice of redemption or redemption.

Section 3.02 Selection by Trustee of Notes To Be Redeemed or Purchased.

If less than all of the Notes are to be redeemed or purchased at any time, selection of such Notes for redemption or purchase will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes to be redeemed or purchased are listed or, if the Notes are not so listed, on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected for redemption or purchase based on the Depository's applicable procedures). Such Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the Redemption Date or the purchase date from the outstanding Notes not previously called for redemption or purchase.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$1,000 or whole multiples of \$1,000 in excess thereof; *provided* that no Notes with a principal amount of \$2,000 or less shall be redeemed or purchased in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes of such series held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. For all purposes of this Indenture unless the context otherwise requires and except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

If any Note is to be redeemed or purchased in part only, the notice of redemption or offer to purchase that relates to such Note shall state the portion of the principal amount thereof to be redeemed or purchased. With respect to Physical Notes, a new Physical Note in principal amount equal to the unredeemed or unpurchased portion of the original Physical Note will be issued in the name of the Holder thereof upon cancellation of the original Note; *provided* that any new Notes will be only issued in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. On and after the Redemption Date or purchase date, interest will cease to accrue on such Notes or portions thereof called for redemption or purchase. Redemption or purchase price shall only be paid upon presentation and surrender of any such Notes to be redeemed or purchased.

Section 3.03 Notice of Redemption.

At least 10 days but, except as set forth in the last paragraph of this Section 3.03, no more than 60 days, before a Redemption Date or purchase date, the Issuer shall send, or cause to be sent, a notice of redemption electronically or by first-class mail to each Holder to be redeemed at his or her last address as the same appears on the registry books maintained by the Registrar pursuant to Section 2.06 or otherwise in accordance with the procedures of the Depository, except that redemption notices may be delivered or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article IX. Notices of redemption may be conditional.

The notice shall identify the Notes to be redeemed (including the CUSIP and/or ISIN numbers thereof) and shall state:

1. the Redemption Date;
2. the redemption price and the amount of premium (or manner of calculation if not then known), if any, and accrued and unpaid interest to be paid;
3. if any Note is being redeemed or purchased in part, the portion of the principal amount of such Note to be redeemed or purchased and that, with respect to Physical Notes, after the Redemption Date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed or unpurchased portion of the original Note representing the same indebtedness to the extent not redeemed or repurchased will be issued in the name of the Holder of such Notes upon cancellation of the original Note; provided that the new Notes will be only issued in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof;

4. the name and address of the Paying Agent;
5. that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
6. that unless the Issuer defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
7. that paragraph or subparagraph of the Notes pursuant to which the Notes called for redemption are being redeemed;
8. the aggregate principal amount of Notes that are being redeemed;
9. any condition to such redemption; and
10. that no representation is made as to the correctness or accuracy of the CUSIP or ISIN numbers printed in the notice or on the Notes.

A notice of redemption need not set forth the exact redemption price but only the manner of calculation thereof.

At the Issuer's written request made at least 2 Business Days prior to the date on which notice is to be given (unless a shorter notice shall be agreed to by the Trustee), together with the notice of redemption to be given, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's sole expense.

Notice of any redemption of, or any offer to purchase, the Notes may, at the Issuer's discretion, be given subject to one or more conditions precedent. In addition, if such redemption or purchase is subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the Redemption Date or the purchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date or the purchase date or by the Redemption Date or the purchase date as so delayed, or such notice or offer may be rescinded at any time in the Issuer's discretion if the Issuer reasonably believes that any or all of such conditions will not be satisfied. In addition, the Issuer may provide in such notice that payment of the redemption or purchase price and performance of the Issuer's obligations with respect to such redemption or offer to purchase may be performed by another Person.

Section 3.04 Effect of Notice of Redemption or Purchase.

Once a notice of redemption described in Section 3.03 is sent (including electronically) and subject to the proviso to this sentence, Notes called for redemption or purchase become due and payable on the Redemption Date or purchase date, as applicable, and at the redemption price or purchase price, as applicable, including any premium, plus interest accrued and unpaid to, but excluding, the Redemption Date or purchase date; *provided, however*, that any redemption or purchase and notice or offer thereof pursuant to this Indenture may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent described in such notice and in which case if and/or to the extent such condition(s) precedent is/are not satisfied the Issuer shall have no obligation to redeem or purchase Notes on such Redemption Date or purchase date. The notice, if sent in a manner herein provided (including electronically), shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice or any defect in the notice to the Holder of any Note designated for redemption or purchase in whole or in part shall not affect the validity of the proceedings for the redemption or purchase of any other Note or portions thereof. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price or the purchase price, as the case may be, including any premium, plus interest accrued and unpaid to, but excluding, the Redemption Date or purchase date and such Notes shall be cancelled by the Trustee; *provided* that if the Redemption Date or purchase date is after a regular record date and on or prior to the relevant Interest Payment Date, the accrued and unpaid interest shall be payable to the Holder registered on the relevant record date; and *provided, further*, that if a Redemption Date or purchase date is a Legal Holiday, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date or purchase date to such succeeding Business Day. Subject to Section 3.05, on and after the Redemption Date or purchase date, as the case may be, interest shall cease to accrue on Notes or portions thereof called for redemption or purchase.

Section 3.05 Deposit of Redemption or Purchase Price.

On or prior to 1:00 p.m., New York City time (or such later time as the Trustee may agree), on each Redemption Date or purchase date, the Issuer shall deposit with the Paying Agent U.S. Dollars sufficient to pay the redemption price or purchase price of, including premium, if any, and accrued and unpaid interest, if any, on any and all Notes to be redeemed or purchased on that date (other than Notes or portions thereof called for redemption or purchase on that date which have been delivered by the Issuer to the Trustee for cancellation). The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price or purchase price of, including premium, if any, and accrued and unpaid interest, if any, on any and all Notes to be redeemed or purchased.

On and after any Redemption Date or purchase date, as the case may be, if money sufficient to pay the redemption price or purchase price of, including premium, if any, and accrued and unpaid interest, if any, on all Notes called for redemption or purchase shall have been made available in accordance with the immediately preceding paragraph, the Notes called for redemption or purchase will cease to accrue interest and the only right of the Holders of such Notes will be to receive payment of the redemption price or purchase price of and, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or after the Redemption Date or purchase date, as the case may be, accrued and unpaid interest on such Notes to the Redemption Date or purchase date. If any Note surrendered for redemption or purchase shall not be so paid, interest will be paid, from the Redemption Date or purchase date, as the case may be, until such redemption or purchase payment is made, on the unpaid principal of the Note and (to the extent permitted by applicable law) any interest not paid on such unpaid principal, in each case, at the rate and in the manner provided in the Notes.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall execute and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate for the Holder thereof a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same indebtedness to the extent not redeemed or purchased; *provided* that each new Note will be issued in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Officer's Certificate and not an Opinion of Counsel is required for the Trustee to authenticate such new Note.

Section 3.07 Mandatory Redemption; Open Market Purchases.

Subject to Sections 4.07 and 4.08, the Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. The Issuer and its Affiliates may acquire Notes at any time and from time to time by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of this Indenture.

ARTICLE IV
COVENANTS

Section 4.01 Payment of Notes.

The Issuer shall pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture; *provided* that all payments of principal and interest with respect to the Notes represented by one or more Global Notes registered in the name of or held by the Depository or its nominee will be made in accordance with the Depository's applicable procedures. An installment of principal or interest shall be considered paid on the date it is due if the Trustee or the Paying Agents hold by noon, New York City time, on that date U.S. Dollars designated for and sufficient to pay such installment. If an Interest Payment Date is a Legal Holiday at a place of payment, payment may be made at that place on the next succeeding Business Day and no interest on such payment will accrue in respect of the delay.

The Issuer shall pay interest on overdue principal (including post-petition interest in a proceeding under any Bankruptcy Law), and overdue interest, to the extent lawful, at the rate specified in the Notes.

Section 4.02 Maintenance of Office or Agency.

(a) The Issuer shall maintain in the Borough of Manhattan, The City of New York, an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee or Registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The designated office of the Trustee shall be such office or agency of the Issuer in the City of New York, unless the Issuer shall designate and maintain some other office or agency for one or more purposes. The Issuer shall give prompt written notice to the Trustee of any change in the location of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

(b) The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in the Borough of Manhattan, The City of New York. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuer hereby designates the Corporate Trust Office of the Trustee, or its Agent, in the Borough of Manhattan, The City of New York, as such office or agency of the Issuer in accordance with Section 2.04.

Section 4.03 Legal Existence.

Except as permitted by Article V, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its legal existence, and the corporate, partnership or other existence of each Wholly Owned Subsidiary that is a Domestic Subsidiary and the Dutch Guarantor, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer and each such Subsidiary and (ii) the material rights (charter and statutory) and franchises of the Issuer and such Subsidiaries; *provided* that the Issuer shall not be required to preserve any such right, franchise, or the corporate, partnership or other existence of any of its Subsidiaries if the Board of Directors of the Issuer or such Subsidiary shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Subsidiaries, taken as a whole. For the avoidance of doubt, the Issuer and its Subsidiaries shall be permitted to change their organizational form.

Section 4.04 Waiver of Stay, Extension or Usury Laws.

The Issuer and each of the Guarantors covenant (to the extent that it may lawfully do so) that they shall not at any time insist upon, or plead (as a defense or otherwise) or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law which would prohibit or forgive the Issuer and the Guarantors from paying all or any portion of the principal of, premium, if any, and/or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture; and (to the extent that they may lawfully do so) the Issuer and the Guarantors hereby expressly waive all benefit or advantage of any such law, and covenants that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.05 Compliance Certificate.

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each Fiscal Year, an Officer's Certificate stating that such Officer has conducted or supervised a review of the activities of the Issuer and its Subsidiaries and the Issuer's and its Subsidiaries' performance under this Indenture during such Fiscal Year, and further stating, as to such Officer signing such certificate, that, to the best of such Officer's knowledge, based upon such review, the Issuer has fulfilled all obligations under this Indenture or, if there has been a Default under this Indenture that is continuing, a description of such Default of which such Officer has knowledge and what action the Issuer and its Subsidiaries are taking or propose to take with respect thereto.

(b) The Issuer shall deliver to the Trustee, within 30 Business Days after an executive officer of the Issuer becomes aware of any Default or Event of Default, a statement specifying such Default or Event of Default.

Section 4.06 Taxes.

The Issuer shall, and shall cause each of its Subsidiaries to, pay prior to delinquency all material Taxes which, if unpaid, might by law become a lien upon the property of the Issuer or any of its Subsidiaries; *provided, however*, that, neither the Issuer nor any of its Subsidiaries shall be required to pay or discharge or cause to be paid or discharged any such Taxes whose amount, applicability or validity is being contested in good faith by appropriate proceedings and adequate reserves with respect thereto are maintained in accordance with GAAP or where failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.07 Repurchase at the Option of Holders upon Change of Control.

(a) Upon the occurrence of a Change of Control, each Holder shall have the right to require the Issuer to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") at an offer price in cash (the "Change of Control Payment") equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, thereon to but excluding the purchase date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Change of Control Payment Date.

(b) Within 30 days following any Change of Control or, at the Issuer's option, prior to the consummation of such Change of Control, the Issuer will mail (or to the extent permitted or required by applicable Depository procedures or regulations with respect to global Notes, send electronically) a notice to each Holder and the Trustee. The notice shall describe the transaction or transactions that constitute the Change of Control and offer to repurchase Notes on the purchase date specified in such notice (which must be no earlier than 20 Business Days nor later than 60 days from the date such notice is sent (unless delivered in advance of the occurrence of such Change of Control), other than as required by law) (the "Change of Control Payment Date") pursuant to the procedures required by this Indenture and described in such notice. Such notice shall state:

(1) that the Change of Control Offer is being made pursuant to this Section 4.07 and that all Notes validly tendered and not validly withdrawn pursuant to such Change of Control Offer will be accepted for payment;

(2) the Change of Control Payment and the Change of Control Payment Date (which shall be no earlier than 20 Business Days nor later than 60 days from the date such notice is sent (unless delivered in advance of the occurrence of such Change of Control), other than as may be required by law); *provided* that the Change of Control Payment Date may be delayed, in the Issuer's discretion, until such time (including more than 60 days after the date such notice is sent) as any or all such conditions referred to in clause (8) below shall be satisfied;

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that, unless the Issuer defaults in the payment of the Change of Control Payment, any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have a Note purchased pursuant to the Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent and Registrar for the Note at the address specified in the notice prior to the close of business on the third (3rd) Business Day prior to the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes if the Paying Agent receives, not later than the expiration time of the Change of Control Offer, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the Holder tendered for purchase and a statement that such Holder is withdrawing its tendered Notes and its election to have such Note purchased;

(7) that if the Issuer is redeeming less than all of the Notes, Holders whose Notes are purchased only in part will be issued new Notes in a principal amount equal to the unpurchased portion of the Notes surrendered; *provided, however*, each new Note issued shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof;

(8) if such notice is sent prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control or such other conditions specified therein and shall describe each such condition, and, if applicable, shall state that, in the Issuer's discretion, the Change of Control Payment Date may be delayed until such time as any or all such conditions shall be satisfied, or that such purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 4.07 that a Holder must follow.

(c) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law:

(1) accept for payment all Notes or portions thereof (in minimum amounts of \$2,000 or an integral multiple of \$1,000 in excess thereof) properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof so tendered; and

(3) deliver or cause to be delivered to the Trustee for cancellation all Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes (or portions thereof) being purchased by the Issuer.

The Paying Agent will promptly remit to each Holder so tendered the Change of Control Payment for such Notes, and the Issuer shall execute and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuer shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) If Holders of not less than 90% in aggregate principal amount of the then outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer, or any other Person making a Change of Control Offer in lieu of the Issuer as described below, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such other Person will have the right, upon not less than 10 nor more than 30 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the applicable Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest to but excluding the date of redemption.

(e) Upon the payment of the Change of Control Payment, the Trustee shall, subject to the provisions of Section 2.16, return the Notes purchased to the Issuer for cancellation. The Trustee may act as the Paying Agent for purposes of any Change of Control Offer.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party approved in writing by the Issuer makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.07 with respect to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) notice of redemption has been given or will be given pursuant to this Indenture as described in paragraph 5 of the Notes or as set forth in Section 9.01 prior to the date the Issuer is required to send notice of the Change of Control Offer to the Holders, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, or such other conditions specified therein, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made and such Change of Control Offer is otherwise made in compliance with the provisions of this Section 4.07. The Issuer's obligation to make a Change of Control Offer shall not continue after a discharge of the Issuer, satisfaction and discharge of this Indenture or defeasance from the Issuer's obligations with respect to the Notes.

(g) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.07, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.07 by virtue thereof.

(h) Other than as specifically provided in this Section 4.07, any purchase pursuant to this Section 4.07 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06.

(i) The provisions of this Section 4.07 relating to the Issuer's obligation to make a Change of Control Offer with respect to the Notes upon a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Section 4.08 Limitation on Asset Disposition.

(a) The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Disposition unless:

(1) the Issuer or such Restricted Subsidiary receives consideration at least equal to the Fair Market Value (such Fair Market Value to be determined in good faith by the Issuer on the date of contractually agreeing to such Asset Disposition) of the equity and assets subject to such Asset Disposition;

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration for such Asset Disposition received by the Issuer or such Restricted Subsidiary is in the form of cash or Cash Equivalents, Additional Assets or any combination thereof (collectively, the "Cash Consideration"); and

(3) within 540 days from the later of the date of such Asset Disposition or the receipt of the Net Available Cash from such Asset Disposition, an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Issuer, at its option (or such Restricted Subsidiary, as the case may be):

(A) to the extent the property that is subject to such Asset Disposition (i) constitutes ABL Collateral, to repay or prepay ABL Debt, (ii) does not constitute Collateral, to repay any Indebtedness of a Non-Guarantor Subsidiary (other than Indebtedness owed to Holdings, the Issuer or another Restricted Subsidiary of the Issuer) or (iii) repay Notes;

(B) to the extent the Issuer elects (or is required by the terms of any applicable Indebtedness), to prepay, repay, redeem or purchase any Fixed Asset Debt of the Issuer or any Guarantor, and, if the assets or property disposed of in the Asset Disposition were not Collateral, Pari Passu Indebtedness of the Issuer, or any Guarantor (other than Indebtedness referred to in clause (A) above or owed to the Issuer or another Restricted Subsidiary); *provided* such prepayment, repayment, redemption or purchase permanently retires, or reduces the related loan commitment (if any) (other than commitments in respect of any asset-based Credit Facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted "borrowing base assets") for, such Fixed Asset Debt in an amount equal to the principal amount so prepaid, repaid, redeemed or purchased; *provided, further*, that the Issuer or such Restricted Subsidiary will either (i) reduce the aggregate principal amount of the Notes on an equal or ratable basis with any Fixed Asset Debt or Pari Passu Indebtedness repaid pursuant to this clause (B) by, at its option, (x) redeeming Notes as provided under paragraph 5 of the Notes and/or (y) purchasing Notes through open-market purchases or in privately negotiated transactions and/or (ii) make an offer (in accordance with the provisions set forth below for an Offer) to all Holders to purchase the Notes on an equal or ratable basis with any Fixed Asset Debt or Pari Passu Indebtedness repaid pursuant to this clause (B) (which offer shall be deemed to be an Offer for purposes hereof);

(C) to the extent the Issuer elects, to invest in the business of the Issuer and its Subsidiaries, including acquiring Additional Assets or making any other capital expenditures; *provided* that (x) if such investment is in the form of the acquisition of Capital Stock of a Person, such acquisition is the acquisition of Capital Stock of a Restricted Subsidiary or such acquisition results in such Person becoming a Restricted Subsidiary and (y) to the extent the investment, assets or property are of the type that would constitute Collateral, such investment, assets or property are added as Collateral pursuant to the terms of this Indenture; *provided further* that this requirement shall be deemed satisfied if the Issuer by the end of such 540-day period has entered into a binding agreement under which it is contractually committed to acquire Additional Assets, make any other capital expenditures or investments and such acquisition, capital expenditure or investment is consummated within the later of the end of such 540-day period and within 180 days from the date on which such binding agreement is entered into; or

(D) any combination of the foregoing.

(b) For the purposes of this Section 4.08, the following are deemed to be Cash Consideration:

(1) the greater of the principal amount and the carrying value of any liabilities (as shown on the Issuer's or any Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, or if incurred, accrued or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on the balance sheet of the Issuer or such Restricted Subsidiary or in the footnotes thereto if such incurrence, accrual or increase had taken place on or prior to the date of such balance sheet, as determined in good faith by the Issuer) (other than contingent liabilities) that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Disposition) pursuant to a written agreement which releases or indemnifies the Issuer or such Restricted Subsidiary from such liabilities;

(2) any securities, notes or other obligations or assets received by the Issuer or any Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents, in each case, within 180 days after such Asset Disposition, to the extent of the cash and Cash Equivalents received in that conversion; and

(3) any Designated Non-cash Consideration received by the Issuer or any of its Restricted Subsidiaries in such Asset Disposition having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause that has at that time not been converted into cash or Cash Equivalents, not to exceed 5.0% of Consolidated Total Assets at the time of contractually agreeing to such Asset Disposition (with the Fair Market Value of each item of Designated Non-cash Consideration

being measured at the time of contractually agreeing to the related Asset Disposition and without giving effect to subsequent changes in value).

(c) The amount of Net Available Cash not applied or invested as provided above will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$25.0 million, the Issuer shall make an offer to purchase Notes (an "Offer"), and, if required or permitted by the terms of such Indebtedness, other Fixed Asset Debt and/or other Pari Passu Indebtedness within twenty Business Days thereof, and shall purchase the aggregate principal amount (or accreted value, as applicable) of Notes tendered pursuant to an Offer, Fixed Asset Debt and/or other Pari Passu Indebtedness that requires the purchase, prepayment or redemption of such Indebtedness that is, in the case of the Notes only, equal to \$1,000 or an integral multiple thereof, that may be purchased out of the Excess Proceeds at a purchase price, in the case of the Notes only, of 100% of their principal amount without premium, plus accrued but unpaid interest to but excluding, the purchase date (or, in respect of such Fixed Asset Debt or other Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Fixed Asset Debt or Pari Passu Indebtedness) in accordance with the procedures (including prorating in the event of oversubscription) set forth in this Indenture and the terms of such other Fixed Asset Debt or Pari Passu Indebtedness. The Issuer may satisfy the foregoing obligation with respect to such Excess Proceeds from an Asset Disposition by making an Offer in advance of being required to do so by this Indenture (an "Advance Offer") with respect to all or part of the available Excess Proceeds (the "Advance Portion").

(d) If any Excess Proceeds remain after consummation of an Offer and the contemporaneous offer with respect to any other Fixed Asset Debt or Pari Passu Indebtedness contemplated above, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of Notes, Fixed Asset Debt and/or Pari Passu Indebtedness tendered pursuant to an Offer exceeds the amount of Excess Proceeds (or in the case of an Advance Offer, the Advance Portion), the Issuer shall allocate the Excess Proceeds between the Notes, such Fixed Asset Debt and/or such Pari Passu Indebtedness on a pro rata basis but with such adjustments as necessary so that no Notes, Fixed Asset Debt or Pari Passu Indebtedness, as the case may be, will be repurchased in an unauthorized denomination and will select the Notes to be purchased on a pro rata basis but in denominations of \$1,000 principal amount or integral multiples thereof. The remainder of the Excess Proceeds allocable to the other Fixed Asset Debt or Pari Passu Indebtedness will be repurchased as provided pursuant to the terms of such Indebtedness. Upon completion of such an Offer to purchase, Excess Proceeds will be deemed to be reset to zero (regardless of whether there are any remaining Excess Proceeds upon such completion) and in the case of an Advance Offer, the Advance Portion shall be excluded in subsequent calculations of Excess Proceeds.

(e) Pending application of an amount equal to the Net Available Cash pursuant to this Section 4.08, such Net Available Cash may be applied to temporarily reduce revolving credit Indebtedness (including under the ABL Credit Facility) or in any manner not prohibited by this Indenture.

(f) The Issuer shall comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to an Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue of its compliance with such securities laws or regulations.

(g) Other than as specifically provided in this Section 4.08, any purchase pursuant to this Section 4.08 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06.

(h) The provision of this Section 4.08 relating to the Issuer's obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified with the written consent of the Holders of a majority in principal amount of Notes.

Section 4.09 Limitation on Indebtedness, Disqualified Stock and Preferred Stock.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, Incur, directly or indirectly, any Indebtedness or issue any shares of Disqualified Stock and the Issuer will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however*, that the Issuer and its Restricted Subsidiaries will be entitled to Incur Indebtedness or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock if, on the date of such Incurrence and after giving effect thereto on a *pro forma* basis, the Consolidated Fixed Charge Coverage Ratio equals or exceeds 2:00 to 1.00; *provided, further*, that the aggregate amount of Indebtedness that may be Incurred and Disqualified Stock or Preferred Stock that may be issued pursuant to the foregoing by Restricted Subsidiaries that are not Guarantors shall not exceed the greater of (x) \$105.0 million and (y) 4.25% of Consolidated Total Assets at the time of Incurrence, at any one time outstanding.

(b) Notwithstanding Section 4.09(a), the Issuer and the Restricted Subsidiaries will be entitled to Incur any or all of the following Indebtedness:

(1) Indebtedness incurred by the Issuer or its Restricted Subsidiaries pursuant to Credit Facilities, the Guarantees thereof and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount hereof) up to an aggregate principal amount or liquidation preference, if applicable, at any one time outstanding, (a) with respect to any ABL Obligations or any other Indebtedness that is secured by Liens on the Fixed Asset Collateral with a priority that is junior to the Liens on the Fixed Asset Collateral securing the Notes (including any Indebtedness that is secured by Liens on the ABL Collateral with a priority that is senior to the Liens on the ABL Collateral securing the Notes), not to exceed the greater of (i) \$280.0 million and (ii) the Borrowing Base as of the date of such incurrence or issuance and/or (b) with respect to any Indebtedness incurred under the Term Loan Credit Facility not to exceed \$330.0 million ((A) any Indebtedness outstanding under the ABL Credit Facility on the Issue Date after the application of the net proceeds from the sale of the Notes and any Indebtedness Incurred under the ABL Credit Facility after the Issue Date will be treated as Incurred under clause (1)(a) and (B) any Indebtedness outstanding under the Term Loan Credit Facility on the Issue Date after the application of the net proceeds from the sale of the Notes and any Indebtedness Incurred under the Term Loan Credit Facility after the Issue Date that was Incurred pursuant to clause (1)(b) will be treated as Incurred under clause (1)(b), and in each case, cannot be reclassified pursuant to clause (1) or (2) of Section 4.09(d));

(2) Indebtedness owed to and held by the Issuer or a Restricted Subsidiary or shares of Preferred Stock or Disqualified Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided, however*, that (A) any subsequent issuance or transfer of any Capital Stock which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of such Indebtedness or Preferred Stock (other than to the Issuer or a Restricted Subsidiary) shall be deemed, in each case, to constitute the Incurrence of such Indebtedness by the obligor thereon not permitted pursuant to this clause (2), (B) if the Issuer is the obligor on such Indebtedness and a Subsidiary Guarantor is not the obligee thereon, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations with respect to the Notes and (C) if a Subsidiary Guarantor is the obligor on such Indebtedness and the Issuer or a Subsidiary Guarantor is not the obligee thereon, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of such Subsidiary Guarantor with respect to its Subsidiary Guarantee related to the Notes;

(3) the Notes and any Subsidiary Guarantee but excluding any Additional Notes;

(4) Indebtedness outstanding on the Issue Date (other than Indebtedness described in clauses (1), (2) or (3) of this Section 4.09(b));

(5) Indebtedness, Disqualified Stock or Preferred Stock of (i) the Issuer or any of its Restricted Subsidiaries Incurred or issued to finance an acquisition or (ii) Persons that are acquired by the Issuer or any of its Restricted Subsidiaries or merged into, amalgamated with or consolidated with the Issuer or a Restricted Subsidiary in accordance with the terms hereof (including designating an Unrestricted Subsidiary as a Restricted Subsidiary); *provided, however*, that after giving effect to such acquisition, merger, amalgamation or consolidation and the Incurrence of such Indebtedness, Disqualified Stock or Preferred Stock:

(A) the Issuer would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Fixed Charge Coverage Ratio test set forth in Section 4.09(a); or

(B) the Consolidated Fixed Charge Coverage Ratio of the Issuer and its Restricted Subsidiaries is equal to or greater than immediately prior to such acquisition, merger, amalgamation or consolidation;

(6) the Incurrence or issuance by the Issuer or any of its Restricted Subsidiaries of Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary of the Issuer that serves to Refinance any Indebtedness, Disqualified Stock or Preferred Stock Incurred pursuant to Section 4.09(a) or clauses (3), (4) (other than the Existing Notes), (5), this clause (6) or (12) of this Section 4.09(b), or any Indebtedness, Disqualified Stock or Preferred Stock Incurred to so Refinance such Indebtedness, Disqualified Stock or Preferred Stock, including any additional Indebtedness, Disqualified Stock or Preferred Stock Incurred to pay accrued and unpaid interest and dividends and premiums (including tender premiums), defeasance costs and fees and expenses in connection with such Refinancing (subject to the following proviso, "Refinancing Indebtedness") on or prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred that is (x) not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being Refinanced or (y) at least 91 days after the Weighted Average Life to Maturity of the principal of the Notes;

(B) has a Stated Maturity which is (x) no earlier than the Stated Maturity of the Indebtedness being Refinanced or (y) at least 91 days after the Stated Maturity of the principal of the Notes;

(C) to the extent such Refinancing Indebtedness is secured, the Liens securing such Refinancing Indebtedness have a Lien priority equal to or junior to the Liens securing the Indebtedness being refinanced; and

(D) shall not include (x) Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Guarantor that Refinances Indebtedness of a Restricted Subsidiary of the Issuer that is not a Guarantor or (y) Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Restricted Subsidiary that Refinances Indebtedness of an Unrestricted Subsidiary;

(7) Hedging Obligations that are Incurred in the ordinary course of business (and not for speculative purposes);

(8) Indebtedness Incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit, bankers' acceptances, bank guarantees, warehouse receipts or similar facilities entered into, or relating to obligations or liabilities incurred, in the ordinary course of business, including without limitation letters of credit in respect of workers' compensation claims, performance, completion or surety bonds, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance or self-insurance, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims, performance, completion or surety bonds, health, disability or other employee benefits or property, casualty or liability insurance or self insurance; *provided, however*, that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(9) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business;

(d) For purposes of determining compliance with this Section 4.09:

(1) other than as set forth in Section 4.09(b)(1), in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 4.09(a) and Section 4.09(b) above, the Issuer, in its sole discretion, will classify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at the time of Incurrence and will only be required to include the amount and type of such Indebtedness in one of the above paragraphs; and

(2) other than as set forth in Section 4.09(b)(1), the Issuer will be entitled at the time of Incurrence of Indebtedness, Disqualified Stock or Preferred Stock to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described above, and with respect to any Indebtedness, Disqualified Stock or Preferred Stock Incurred pursuant to any specific clause under Section 4.09(b) above, the Issuer may, after such

Indebtedness, Disqualified Stock or Preferred Stock is Incurred, reclassify all or a portion of such Indebtedness, Disqualified Stock or Preferred Stock under a different clause of Section 4.09(b) or under Section 4.09(a) but only to the extent such Indebtedness could be so Incurred under such clause of Section 4.09(b) or Section 4.09(a).

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. dollar-equivalent), in the case of revolving credit debt; provided that if such Indebtedness is Incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed (i) the principal amount of such Indebtedness being Refinanced plus (ii) the aggregate amount of fees, defeasance costs, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection with such Refinancing.

(f) Accrual of interest, the accretion of accreted value and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

(g) This Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Debt merely because it is unsecured or (2) senior Indebtedness as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

(F) the aggregate amount by which Indebtedness (other than any Subordinated Indebtedness) incurred by the Issuer or any Restricted Subsidiary since November 2, 2016 is reduced on the Issuer's balance sheet upon the conversion or exchange (other than by a Restricted Subsidiary of the Issuer) into Qualified Equity Interests of the Issuer or any Parent Entity (less the amount of any cash, or the fair value of assets, distributed by the Issuer or any Restricted Subsidiary upon such conversion or exchange), *plus*

Section 4.12 Limitation on Affiliate Transactions.

(a) The Issuer will not, and will not permit any Restricted Subsidiary to, enter into or permit to exist any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property, employee compensation arrangements or the rendering of any service) with any Affiliate of the Parent (an "Affiliate Transaction") involving aggregate consideration in excess of \$10.0 million, either directly or indirectly, unless:

(1) the terms of the Affiliate Transaction are no less favorable to the Issuer or such Restricted Subsidiary, taken as a whole, than those that could be obtained at the time of the Affiliate Transaction in arm's-length dealings with a Person who is not an Affiliate; and

(2) if such Affiliate Transaction involves an amount in excess of \$25.0 million, the terms of the Affiliate Transaction are set forth in writing and a majority of the non-employee directors of the Issuer disinterested with respect to such Affiliate Transaction have determined in good faith that the criteria set forth in clause (1) of this Section 4.12 are satisfied and have approved the relevant Affiliate Transaction as evidenced by a resolution of the Board of Directors of the Issuer.

(b) The provisions of Section 4.12(a) will not prohibit:

(1) any Permitted Investment or Restricted Payment permitted to be made pursuant to the covenant described under Section 4.10;

- (5) any transaction with the Issuer, a Restricted Subsidiary or joint venture or similar entity which would constitute an Affiliate Transaction solely because the Issuer or a Restricted Subsidiary owns an Equity Interest in or otherwise controls such Restricted Subsidiary, joint venture or similar entity;
- (6) the issuance or sale of any Capital Stock (other than Disqualified Stock) of the Issuer and the granting and performance of registration rights;
- (7) pledges of Capital Stock of Unrestricted Subsidiaries for the benefit of lenders of Unrestricted Subsidiaries;

- (9) any transaction for which the Issuer has received a written opinion from an Advisory Firm the effect that such transaction is fair, from a financial standpoint, to the Issuer and its Restricted Subsidiaries or is not less favorable to the Issuer and its Restricted Subsidiaries than could reasonably be expected to be obtained at the time in an arm's length transaction with a Person who was not an Affiliate.

Section 4.13 Limitation on Liens.

(a) The Issuer will not at any time create, incur, assume or guarantee, and will not cause or permit a Restricted Subsidiary that is a Guarantor to, directly or indirectly incur any Lien securing Indebtedness of the Issuer or such Guarantor upon any of its property, assets or revenue, whether owned on the Issue Date or thereafter acquired (except Permitted Liens). such Lien will constitute Collateral under this Indenture and the Notes Security Documents, subject, in each case, to local law limitations and Permitted Liens.

(b) The following shall constitute "Permitted Liens":

(1) Liens on property or assets acquired, constructed, developed or improved after the Issue Date by the Issuer or a Restricted Subsidiary and created prior to or contemporaneously with, or within 180 days after, the acquisition of property which is a parcel of real property, a building, machinery or equipment, and extensions, renewals and replacements of any such Liens so long as such Liens are not extended to any other property of the Issuer or any of its Restricted Subsidiaries;

(7) any Lien arising by reason of deposits with, or the giving of any form of security to, any governmental agency or any body created or approved by law or governmental regulations, which is required by law or governmental regulation as a condition to the transaction of any business, or the exercise of any privilege, franchise or license;

(9) Liens for taxes, assessments or governmental charges or claims (a) that are not yet delinquent for a period of more than 30 days, (b) not yet payable or subject to penalties for non-payment or (c) that are being contested in good faith;

- (21) Liens incurred or pledges or deposits made in the ordinary course of business in connection with workers' compensation, unemployment and other insurance and other types of social security and employee health and disability benefits or similar obligations (including Liens to secure letters of credit issued to assure payment of such obligations and also including pledges or deposits securing liability to insurance carriers under insurance or self-insurance arrangements) or to secure the performance of tenders, statutory obligations, surety and appeal bonds, bids, leases, government contracts, performance and return-of-money bonds and other similar obligations;

(24) Liens in cash proceeds (or securities purchased therewith) from Indebtedness which are set aside at the time of such incurrence in order to secure an escrow arrangement pursuant to which such cash proceeds (or securities purchased therewith) are contemplated to ultimately be released to the Issuer or a Restricted Subsidiary or returned to the lenders of such Indebtedness; provided that such Liens are automatically released concurrently with the release of such cash proceeds (or securities purchased therewith) from such escrow arrangement;

(e) For purposes of determining compliance with this Section 4.13, a Lien securing an item of Indebtedness need not be permitted solely by one category of Permitted Lien but may be permitted in part under any combination thereof and of any other available exemption, and if a Permitted Lien meets the criteria or more than one of the exceptions described in clauses (1) through (39) of Section 4.13(b), the Issuer may, in its sole discretion, classify or reclassify the Permitted Lien (or any portion thereof) in any manner that complies with this Section 4.13. In addition, in the event that a portion of Indebtedness secured by a Lien that is incurred after the Issue Date could be classified as secured in part pursuant to clause (39) of Section 4.13(b) (after giving effect to the Incurrence of such portion of Indebtedness), the Issuer, in its sole discretion, may classify such portion of such Indebtedness (and any Obligations in respect thereof) as having been secured pursuant to clause (39) of Section 4.13(b) above and thereafter the remainder of the Indebtedness as having been secured pursuant to one or more of the other clauses of Section 4.13(b) above; *provided, however*, that any Liens Incurred to secure obligations in respect of the ABL Credit Facility and the Term Loan Credit Facility Incurred pursuant to Section 4.09(b)(1) shall be deemed secured under clause (5) of Section 4.13(b) and cannot be reclassified.

(b) Parent and Holdings shall not create, incur, assume or suffer to exist any Lien on any Capital Stock of Holdings, the Issuer or any Restricted Subsidiary, as applicable, (other than Liens pursuant to any Notes Document, Term Loan Document or ABL Document, non-consensual Liens arising solely by operation of law and Liens pursuant to documentation relating to other secured Indebtedness permitted to be incurred and secured hereunder and any Permitted Liens) and shall not incur any Indebtedness (other than Guarantees permitted above and liabilities imposed by law, including tax liabilities).

Section 4.15 Additional Note Guarantees.

- (a) If, on or after the Issue Date:
 - (1) any of the Issuer's Subsidiaries Incurs or guarantee any Indebtedness under the Term Loan Credit Facility; or
 - (2) any of the Issuer's Wholly Owned Subsidiaries that is a Domestic Subsidiary Incurs or guarantees any loans or capital markets Indebtedness in excess of \$50.0 million ("Certain Other Indebtedness"),

then such Subsidiary (other than a Subsidiary Guarantor) shall become a Guarantor and execute a supplemental indenture substantially in the form of Exhibit J to hereto within 20 Business Days of such Incurrence or guarantee.

(b) Each Person that becomes a Guarantor after the Issue Date shall also become party to the applicable Notes Security Documents pursuant to the terms of this Indenture and shall as promptly as practicable, but in any event, within 90 days of the acquisition or formation of such entity, execute and deliver such security instruments, financing statements, mortgages, deeds of trust (in substantially the same form as those executed and delivered with respect to the Collateral on the Issue Date as may be necessary to vest in the Collateral Agent a perfected first-priority security interest (subject to Permitted Liens and priority Liens with respect to the ABL Collateral in favor of the ABL

Collateral Agent) in properties and assets that constitute Collateral, as security for such Guarantor's Note Guarantee and as may be necessary to have such property or asset added to the Collateral as required under the Notes Security Documents and this Indenture, and thereupon all provision of this Indenture relating to the Collateral shall be deemed to relate to such properties and assets to the same extent and with the same force and effect.

Section 4.16 Reports to Holders.

(a) Whether or not the Issuer is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as any Notes are outstanding hereunder, the Issuer shall furnish to the Trustee and Holders thereof the following:

(1) all quarterly and annual financial statements of the Issuer that would be required to be filed with the Commission on Forms 10-Q and 10-K, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" that describes the financial condition and results of operations of the Issuer and its consolidated Subsidiaries and, with respect to the annual information only, a report thereon by the Issuer's certified independent accountants; and

(2) all current reports required to be filed with the Commission on Form 8-K under Items 1.01, 1.02, 1.03, 2.01, 2.02, 2.05, 2.06, 4.01, 4.02, 5.01 and 5.02 (other than with respect to information otherwise required or contemplated by Item 402 of Regulation S-K) as in effect on the Issue Date if the Issuer were required to file such reports; *provided, however*, that no such current report will be required to include as an exhibit, or to include a summary of the terms of, any employment or compensatory arrangement agreement, plan or understanding between the Issuer (or any of its Subsidiaries) and any director, manager or executive officer, of the Issuer (or any of its Subsidiaries);

in each case, within the time periods specified in the Commission's rules and regulations (and, during any period in which the Issuer is not required to file reports with the Commission, within the time periods specified in the Commission's rules and regulations applicable to a "non-accelerated filer"); *provided, however*, that (i) in no event shall such reports be required to comply with Rule 3-10 of Regulation S-X promulgated by the Commission or contain separate financial statements for the Issuer, the Guarantors or other Subsidiaries the shares of which are pledged to secure the Notes or any Guarantee that would be required under (a) Section 3-09 of Regulation S-X, (b) Section 3-10 of Regulation S-X or (c) Section 3-16 of Regulation S-X, respectively, promulgated by the Commission.

(b) The Issuer shall make all such information available to the Trustee and the Holders, in each case, by posting such information on its website, on Intralinks or any comparable password-protected online data system which will require a confidentiality acknowledgment. In addition, the Issuer shall, for so long as any Notes remain outstanding, furnish to the Holders of such Notes and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

(c) Notwithstanding the foregoing, Issuer may satisfy its obligations in this Section 4.16 with respect to financial information relating to the Issuer by furnishing financial information relating to any Parent Entity; *provided* that if such Parent Entity has any material assets other than its direct or indirect Equity Interests of the Issuer, the same is accompanied by selected financial metrics, which may be unaudited, that show the differences (in the Issuer's sole discretion) between the information relating to such Parent Entity, on the one hand, and the information relating to the Issuer and its Subsidiaries on a stand-alone basis, on the other hand.

(d) The Issuer will be deemed to have furnished the reports referred to in clauses (1) and (2) of Section 4.16(a) if the Issuer or any Parent Entity has filed reports containing such information (or any such information of a Parent Entity in accordance with the immediately preceding paragraph) with the Commission. The terms of this Indenture shall not impose any duty on the Issuer under the Sarbanes-Oxley Act of 2002 and the related Commission rules that would not otherwise be applicable to it.

(e) At any time that any of the Issuer's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual financial information required by clauses (1) and (2) of Section 4.16(a) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, or in "Management's Discussion and Analysis of Financial Condition and Results of Operations," of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer.

(f) Delivery of such reports and information to the Trustee shall be for informational purposes only, and the Trustee's receipt of them shall not constitute constructive notice of any information contained therein or determinable from information contained therein (including the Issuer's compliance with any of its covenants under this Indenture as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

(g) Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its obligations under this Section 4.16 for purposes of Section 6.01(4) until 180 days after the date any report hereunder is due.

Section 4.17 Suspension of Covenants.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), then beginning on such date, the Issuer and its Restricted Subsidiaries will not be subject to Sections 4.08 (but only to the extent related to properties or assets of the Issuer, its Restricted Subsidiaries and Holdings that do not constitute Collateral), 4.09, 4.10, 4.11, 4.12, 4.15 and 5.01(a)(3) hereof (collectively, the "Suspended Covenants").

(b) Upon the occurrence of a Covenant Suspension Event (the date of such occurrence, the "Suspension Date"), the amount of Excess Proceeds from any Asset Disposition shall be reset at zero. In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events. The period of time between (and including) the Suspension Date and the Reversion Date (but excluding the Reversion Date) is referred to in this description as the "Suspension Period."

(c) In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default with respect to Notes. On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be classified to have been Incurred pursuant to Section 4.09(b)(4). With respect to Restricted Payments made on or after the Reversion Date, the amount of Restricted Payments made will be calculated as though Section 4.10 had been in effect prior to, but not during, the Suspension Period. In addition, for purposes of Section 4.12, all agreements and arrangements entered into by the Issuer or any Restricted Subsidiary with an Affiliate of Holdings during the Suspension Period prior to such Reversion Date will be deemed to have been entered pursuant to Section 4.12(b)(8), and for purposes of Section 4.11, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such covenant will be deemed to have been entered pursuant to clause (1)(a) of the first paragraph of Section 4.11. During any Suspension Period, the Board of Directors may not designate any of the Issuer's Subsidiaries as Unrestricted Subsidiaries pursuant to this Indenture.

(d) In addition, notwithstanding the foregoing, the continued existence after any reinstatement of the foregoing covenants of facts and circumstances or obligations arising from transactions that occurred during the Suspension Period shall not constitute a breach of any covenant set forth in this Indenture or cause a Default or an Event of Default thereunder. Following a Reversion Date, the Issuer and its Subsidiaries will be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during the Suspension Period and to consummate the transactions thereby; *provided* that such

contractual commitments or obligations were entered into during the Suspension Period and not in contemplation of a reversion of the Suspended Covenants; *provided further* that, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under the Restricted Payments Basket or under the second paragraph of Section 4.10 and, if not permitted by any such provisions, such Restricted Payment shall be deemed permitted under the Restricted Payments Basket and shall be deducted for purposes of calculating the amount pursuant to the Restricted Payments Basket (which may not be less than zero).

(e) Upon the Reversion Date, the obligations to grant Note Guarantees pursuant to Section 4.15 will be reinstated (and the Reversion Date will be deemed to be the date on which any Subsidiary was acquired or created during the Suspension Period).

(f) The Issuer, in an Officer's Certificate, shall provide the Trustee notice of any Suspension Date or Reversion Date. The Trustee will have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on the Issuer's future compliance with their covenants or (iii) notify the Holders of a Suspension Date or Reversion Date. The Trustee may deliver a copy of any such Officer's Certificate to the Holders upon request.

ARTICLE VI
DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

Each of the following constitutes an “Event of Default” with respect to the Notes:

- (1) default for 30 consecutive days in the payment when due of interest with respect to the Notes;
- (2) default in payment when due of principal or premium, if any, on the Notes on the Maturity Date, upon redemption or otherwise;
- (3) failure by the Issuer or any Restricted Subsidiary after receipt of notice from the Trustee or Holders of at least 25% in aggregate principal amount of the Notes then outstanding under this Indenture (with a copy to the Trustee) to comply with any of the provisions under Section 4.07;
- (4) failure by the Issuer or any Restricted Subsidiary of the Issuer for 60 consecutive days after receipt of notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding under this Indenture (with a copy to the Trustee) to comply with any covenant or agreement contained in this Indenture (other than the covenants and agreements specified in clauses (1) through (3) of this Section 6.01);
- (5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed of the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries (other than Indebtedness owed to the Issuer or a Restricted Subsidiary), whether such Indebtedness or Guarantee now exists or is created after the Issue Date, which default (a) is caused by a failure to pay when due at final Stated Maturity (giving effect to any grace period related thereto) principal of such Indebtedness (a “Payment Default”) or (b) results in the acceleration of such Indebtedness prior to its Stated Maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$35.0 million or more; and, in each case, the Issuer has received notice specifying the default from the Trustee or Holders of at least 25% in aggregate principal amount of Notes then outstanding (with a copy to the Trustee) and does not cure the default within 30 days;

(6) failure by the Issuer or any Restricted Subsidiary that is a Significant Subsidiary or group of Subsidiaries of the Issuer that, together, would constitute a Significant Subsidiary to pay final and non-appealable judgments (net of any amounts covered by insurance and as to which such insurer has not denied responsibility or coverage in writing) aggregating \$35.0 million or more, which judgments are not paid, discharged, bonded, stayed or waived within 60 days after such judgment becomes final, and in the event such judgment is covered in full by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(7) (A) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (i) is for relief against the Issuer or any Restricted Subsidiary that is a Significant Subsidiary or group of Restricted Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding in which the Issuer, a Guarantor or any Restricted Subsidiary that is a Significant Subsidiary or group of Restricted Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary is to be adjudicated bankrupt or insolvent, (ii) appoints a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer, a Guarantor or any Restricted Subsidiary that is a Significant Subsidiary or group of Restricted Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary, or for all or substantially all of the property of the Issuer, a Guarantor or any Restricted Subsidiary that is a Significant Subsidiary or group of Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary, or (iii) orders the winding up or liquidation of the Issuer, a Guarantor or any Restricted Subsidiary that is a Significant Subsidiary or group of Restricted Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary, and in each of clauses (A)(i), (A)(ii) and (A)(iii), such order or decree remains unstayed and in effect for a period of 60 consecutive days; or (B) the Issuer, a Guarantor or any Restricted Subsidiary that is a Significant Subsidiary or group of Restricted Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law (i) commences a voluntary case to be adjudicated bankrupt or insolvent or consents to the entry of an order for relief against it in an involuntary case, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Issuer, such Guarantor or any such Restricted Subsidiary or group of Restricted Subsidiaries or for all or substantially all of its property, (iii) effects any general assignment for the benefit of its creditors or (iv) generally is not paying its debts as they become due;

(8) any Note Guarantee of any Guarantor that is a Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) ceases to be in full force and effect in all material respects (other than in accordance with the terms of such Note Guarantee and this Indenture) or is declared null and void and unenforceable or found to be invalid or any such Guarantor denies its liability under its Note Guarantee (other than by reason of the satisfaction and discharge of this Indenture or the release of such Guarantor from

its Note Guarantee in accordance with the terms of this Indenture and such Note Guarantee); and

(9) other than by reason of the satisfaction in full of all obligations under this Indenture and discharge of this Indenture with respect to the Notes or the release of such Collateral with respect to the Notes in accordance with the terms of this Indenture and the Notes Security Documents,

(a) in the case of any security interest with respect to a material portion of the Collateral, such security interest under the Notes Security Documents shall, at any time, cease to be a valid and perfected security interest or shall be declared invalid or unenforceable, default by the Issuer or any Guarantor in the performance of the Notes Security Documents that adversely affects in any material respect the enforceability, validity, perfection or priority of such Liens on a material portion of the Collateral, or the determination in a judicial proceeding that the Notes Security Documents are unenforceable or invalid against the Issuer or any Guarantor party thereto for any reason with respect to a material portion of the Collateral, and any such default continues for 30 days after notice of such default shall have been given to the Issuer by the Trustee or the Holders of at least 25% of the principal amount of the then outstanding Notes issued under this Indenture, except to the extent that any such default (A) results from the failure of the Collateral Agent to maintain possession of certificates, promissory notes or other instruments actually delivered to it representing securities pledged under the Notes Security Documents or (B) to the extent relating to Collateral consisting of real property, is covered by a title insurance policy with respect to such real property and such insurer has not denied or failed to acknowledge coverage; or

(b) the Issuer or any Guarantor shall assert in writing that any security interest under any Notes Security Document is invalid or unenforceable.

Section 6.02 Acceleration of Maturity; Rescission.

If any Event of Default under this Indenture occurs and is continuing, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, may declare the principal of, premium, if any, and accrued but unpaid interest, on all of the outstanding Notes to be due and payable by notice in writing to the Issuer and the Trustee, in the case of notice by Holders, specifying the respective Event of Default and that it is a “notice of acceleration” and the same shall become immediately due and payable. Notwithstanding the foregoing, in the case of an Event of Default arising under Section 6.01(7) with respect to the Issuer, the principal of, premium, if any, and accrued but unpaid interest, on all of the outstanding Notes shall become due and payable without further action or notice.

If the Notes are accelerated or otherwise become due prior to the Maturity Date, in each case, as a result of an Event of Default (including, but not limited to, an Event of Default specified in Section 6.01(7) (including the acceleration of any claims by operation of law)), the amount that shall then be due and payable in respect of the Notes shall equal the amount which would be due on an optional redemption of the Notes, in each case, determined as of the date of such acceleration, as if the Notes had been optionally redeemed as of the date of such acceleration (i.e., principal plus the Make-Whole Premium if prior to June 1, 2022, and thereafter principal at the redemption price specified under paragraph 5 of the Notes as of such date) and, in each case, accrued and unpaid interest to, but excluding, the date of redemption of such Notes (or payment in the case of a bankruptcy or insolvency event). The amount in excess of par represented by such redemption price, the "Redemption Premium" and, together with any Make-Whole Premium, the "premium".

Without limiting the generality of the foregoing, it is understood and agreed that if the Notes are accelerated or otherwise become due prior to the Maturity Date, in each case, as a result of an Event of Default (including, but not limited to, an Event of Default specified in Section 6.01(7) (including the acceleration of any claims by operation of law)), the Make-Whole Premium or the Redemption Premium, as applicable, shall also be due and payable as though the Notes had been optionally redeemed on the date of such acceleration and shall constitute part of the Obligations with respect to the Notes in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. If the Make-Whole Premium or the Redemption Price Premium, as applicable, becomes due and payable, it shall be deemed to be principal of the Notes and interest shall accrue on the full principal amount of the Notes (including the Make-Whole Premium or the Redemption Price Premium, as applicable) from and after the applicable triggering event, including in connection with an Event of Default specified in Section 6.01(7). Any premium payable pursuant to this paragraph and the immediately preceding paragraph shall be presumed to be equal to the liquidated damages sustained by each Holder as the result of the early acceleration or redemption of the Notes and the Issuer and each Guarantor agrees that it is a reasonable estimate under the circumstances currently existing of such Holder's actual damages. The premium shall also be payable in the event the Notes and/or this Indenture are satisfied, released or discharged through foreclosure, whether by power of judicial proceeding, deed in lieu of foreclosure or by any other means and/or upon the satisfaction, release, payment, restructuring, reorganization, replacement, reinstatement or compromise of the Notes in any insolvency or liquidation proceeding. **THE ISSUER AND EACH GUARANTOR EXPRESSLY WAIVES (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW, RULE OR REGULATION THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION.** The Issuer and each Guarantor expressly agrees (to the fullest extent they may lawfully do so) that: (A) the premium is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time of any acceleration or such payment is made; (C) there has been a course of conduct between the Holders, on the one hand, and the Issuer and the Guarantors, on the other hand, giving specific consideration in this transaction for such agreement to pay the premium; and (D) the

Issuer and each Guarantor shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuer and each Guarantor expressly acknowledges that its agreement to pay the premium to the Holders as herein described is a material inducement to the Holders to purchase the Notes.

In the event of any Event of Default specified in Section 6.01(5), such Event of Default and all consequences thereof (excluding any resulting Payment Default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

- (1) the Indebtedness or Guarantee that is the basis for such Event of Default has been discharged; or
- (2) Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the Payment Default that is the basis for such Event of Default has been cured.

In the event of a declaration of acceleration with respect to the Notes, the Holders of a majority in aggregate principal amount of the then outstanding Notes may, by written notice to the Issuer and the Trustee, on behalf of all of the Holders, rescind and annul such acceleration and its consequences, so long as such rescission and annulment would not conflict with any judgment of a court of competent jurisdiction if:

- (1) all Events of Default, other than nonpayment of principal, premium, if any, or interest that has become due solely because of the acceleration, have been cured or waived;
- (2) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and

(3) the Issuer has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements, indemnities and advances.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture and may take any necessary action requested by the Holders of a majority of the principal amount outstanding of the Notes to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.08, no remedy herein conferred upon or reserved to the Trustee or to the Holders is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Existing Defaults and Events of Default.

(a) Subject to Sections 2.10 and 6.08 and the terms of the Notes Security Documents, the Holders of a majority in principal amount of the Notes then outstanding shall have the right to waive any past and existing Default or Event of Default and its consequences under this Indenture, *except* a Default in the payment of the principal of, or interest or premium, if any, on any Note held by a non-consenting Holder as specified in clauses (1) and (2) of Section 6.01 or in respect of a covenant or a provision which cannot be modified or amended without the consent of each Holder as provided for in Section 8.02 (which shall require the consent of all Holders); *provided* that, subject to Section 6.02, the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. In case of any such waiver, the Issuer, the Trustee and the Holders shall be restored to their former positions and rights hereunder and under the Notes, respectively.

(b) Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

Section 6.05 Control by Majority.

Subject to Sections 2.10, 6.06 and 7.01 of this Indenture and the Intercreditor Agreements, the Holders of a majority in aggregate principal amount of the outstanding Notes have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Collateral Agent or exercising any trust or power conferred on the Trustee or the Collateral Agent by this Indenture or the Notes Security Documents. The Trustee or the Collateral Agent, however, may refuse to follow any direction that conflicts with law or this Indenture or the Notes Security Documents or that the Trustee or the Collateral Agent determines may be unduly prejudicial to the rights of another Holder not taking part in such direction, and the Trustee or the Collateral Agent shall have the right to decline to follow any such direction (it being understood that the Trustee or the Collateral Agent does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) if the Trustee or the Collateral Agent, being advised by counsel, determines that the action so directed may not lawfully be taken or if the Trustee or the Collateral Agent in good faith shall, by a Responsible Officer, determine that the proceedings so directed may involve it in personal liability; *provided* that the Trustee or the Collateral Agent may take any other action deemed proper by the Trustee or the Collateral Agent which is not inconsistent with such direction. In the event the Trustee or the Collateral Agent takes any action or follows any direction pursuant to this Indenture or the Notes Security Documents, the Trustee or the Collateral Agent shall be entitled to indemnification reasonably satisfactory to it against any cost, liability or expense that might be caused by taking such action or following such direction.

Without such direction and indemnification as described above, neither the Trustee nor the Collateral Agent will be obligated to act upon directions purported to be delivered to it such Holders of a majority in aggregate principal amount of the outstanding Notes, to foreclose upon or otherwise enforce any Lien or to take any other action whatsoever with regard to any or all of the Notes Security Documents, the Liens created thereby or the Collateral.

Section 6.06 Limitation on Suits.

Subject to Section 6.08, no Holder shall have any right to institute any proceeding with respect to this Indenture, the Notes Security Documents or the Notes or for any remedy hereunder or thereunder, unless:

- (1) such Holder has previously given the Trustee or the Collateral Agent written notice of a continuing Event of Default;

(2) the Holders of at least 25% in principal amount of the Notes then outstanding have made a written request to the Trustee or the Collateral Agent to pursue the remedy;

(3) such Holder or Holders have offered the Trustee or Collateral Agent security or indemnity satisfactory to the Trustee or the Collateral Agent against any costs, liability or expense;

(4) the Trustee or the Collateral Agent has not complied with the request within 60 days after receipt of the request and the offer of security or indemnity against any cost, liability or expense that might be caused by complying with such request; and

(5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee or the Collateral Agent a direction that is inconsistent with the request.

A Noteholder may not use any provision of this Indenture to disturb or prejudice the rights of another Noteholder or to obtain a preference or priority over another Noteholder.

Section 6.07 No Personal Liability of Directors, Officers, Employees and Stockholders.

No past, present or future director, officer, employee, manager, member, partner, incorporator or stockholder of the Issuer or of any Restricted Subsidiary of the Issuer or any Parent Entity of the Issuer (other than the Issuer in respect of the Notes and each Guarantor in respect of its Guarantee), as such, shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, this Indenture, the Note Guarantees, the Notes Security Documents, the Intercreditor Agreements or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 6.08 Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, the contractual right of any Holder to bring suit to enforce the payment, of principal, premium, if any, and interest, if any, on its Note on or after the respective due dates expressed or provided for in such Note shall not be amended without the consent of such Holder.

Section 6.09 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any Guarantor (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest, in each case, at the rate

set forth in the Notes, and such further amounts as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.10 Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07) and the Noteholders allowed in any judicial proceedings relative to the Issuer or any Guarantor (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Noteholder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Noteholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Noteholder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such proceedings.

Section 6.11 Priorities.

If the Trustee collects any money or property pursuant to this Article VI, subject to the terms of the Intercreditor Agreements, such money or property shall be paid out or distributed in the following order:

FIRST: to the Trustee, the Collateral Agent and any predecessor Trustee or Collateral Agent for amounts due under Section 7.07;

SECOND: to Noteholders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

THIRD: to the Issuer or, to the extent the Trustee collects any amount from any Guarantor, to such Guarantor or as a court of competent jurisdiction may direct in writing.

The Trustee may fix a record date and payment date for any payment to Noteholders pursuant to this Section 6.11.

Section 6.12 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Noteholder pursuant to Section 6.08 or a suit by Noteholders of more than 10% in principal amount of the Notes then outstanding.

ARTICLE VII
TRUSTEE AND COLLATERAL AGENT

Section 7.01 Duties of Trustee and Collateral Agent.

(a) Subject to the terms and protections of this Indenture and the Notes Security Documents for the benefit of the Trustee and the Collateral Agent, (including but not limited as to the provision of indemnity or security) if a Default or Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, subject to the protections of this Article VII (including, but not limited to, the provision of reasonable indemnity) the Trustee or the Collateral Agent shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person under the circumstances would exercise or use under the same circumstances in the conduct of his or her own affairs.

Except for an Event of Default pursuant to Section 6.01(1) or 6.01(2) (upon the occurrence of which the Trustee if then acting as Paying Agent will be deemed to have knowledge thereof), the Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has received written notice of any event which is in fact such a Default or Event of Default by the Issuer or by the Holders of at least 25% of the aggregate principal amount of the Notes by written notice of such event sent to the

Trustee in accordance with Section 12.02 at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(b) The Trustee, except during the continuance of a Default or Event of Default of which a Responsible Officer of the Trustee has actual knowledge and subject to clause (a) above, and, at all times, the Collateral Agent:

(1) need perform only those duties that are specifically set forth in this Indenture and the Notes Security Documents and no others, and no implied covenants or obligations shall be read into this Indenture or the Notes Security Documents against the Trustee and the Collateral Agent; and

(2) in the absence of gross negligence or bad faith on its part, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Collateral Agent under this Indenture and/or the Notes Security Documents and conforming to the requirements of this Indenture and the Notes Security Documents but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee or the Collateral Agent, as applicable, the Trustee or the Collateral Agent, as applicable, shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture and the Notes Security Documents as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Whenever in the administration of this Indenture the Trustee or the Collateral Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee or the Collateral Agent, as applicable (unless other evidence be herein specifically prescribed), may require and, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate and/or an Opinion of Counsel (if this Indenture permits or provides for such Opinion of Counsel), subject to the requirement in the preceding sentence, if applicable.

(c) Neither the Trustee nor the Collateral Agent may be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of subsection (b) of this Section 7.01.

(2) Neither the Trustee nor the Collateral Agent shall be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee or the Collateral Agent was negligent in ascertaining the pertinent facts.

(3) Neither the Trustee nor the Collateral Agent shall be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it from a majority in aggregate principal amount of the Notes outstanding pursuant to the terms of this Indenture.

(d) Whether or not therein expressly so provided, Section 7.01 and Section 7.02 shall govern every provision of this Indenture that in any way relates to the Trustee or the Collateral Agent, as applicable.

(e) The Trustee and the Collateral Agent will be under no obligation to exercise any of its rights and powers under this Indenture or the Notes Security Documents unless the Trustee has been offered security or indemnity reasonably satisfactory to it against any expenses, loss, liability or exposure. The Trustee's fees, expenses and indemnities (including, but in no way limited to, the fees and disbursements of agents and attorneys) are included in the amounts guaranteed by the Note Guarantees.

(f) Neither the Trustee nor the Collateral Agent shall be liable for interest on any money received by it except as the Trustee or the Collateral Agent, as applicable, may agree in writing with the Issuer or any Guarantor. Money held in trust by the Trustee or the Collateral Agent need not be segregated from other funds except to the extent required by the law.

(g) No provision of this Indenture or the Notes Security Documents shall require the Trustee or the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its rights, powers or duties. Neither the Trustee nor the Collateral Agent shall be required to give any bond or surety in respect of the performance of its powers or duties hereunder.

(h) The Collateral Agent and the Trustee shall have no duty or obligation to (x) make any filings, including but not limited to any UCC-1 or UCC continuation filings, (y) ensure a perfected lien with the requisite priority is granted over the applicable Collateral, including any after acquired Collateral, or (z) ensure that any documentation delivered from time to time to grant, preserve, protect and perfect the validity and priority of the security interests and Liens (including but not limited to any real estate documentation) is in customary and/or legally satisfactory form to accomplish the applicable documents' intended purpose.

(i) For the avoidance of doubt, the Collateral Agent and the Trustee shall have no obligation to enter into any such documentation to the extent the Collateral Agent or the Trustee shall determine, in its sole discretion, among other matters, such documentation (i) is prohibited by applicable law, (ii) will violate the terms of any intercreditor agreement to which the Collateral Agent

or the Trustee is party, (iii) to the extent relating to any foreign Collateral will have the result of requiring the Collateral Agent or the Trustee to register with, make filings and/or disclosures to any foreign governmental authority or otherwise result in additional burdens to the Collateral Agent vis a vis such foreign jurisdiction or (iv) such documentation imposes additional fees, costs, expenses or potential liabilities on the Collateral Agent or the Trustee without appropriate indemnification therefor being provided by the applicable Holders.

Section 7.02 Rights of Trustee and Collateral Agent.

Subject to Section 7.01:

(1) The Trustee and the Collateral Agent may conclusively rely on any document (whether in its original, facsimile or electronic (including .pdf) form) reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee and the Collateral Agent need not investigate any fact or matter stated in the document.

(2) Before the Trustee or the Collateral Agent acts or refrains from acting, it may require and shall be entitled to receive an Officer's Certificate or an Opinion of Counsel, or both, which shall conform to the provisions of Section 12.05. The Trustee and the Collateral Agent shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(3) Each of the Trustee and the Collateral Agent may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed by it with due care.

(4) Neither the Trustee nor the Collateral Agent shall be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; *provided* that the Trustee's or the Collateral Agent's conduct does not constitute negligence or willful misconduct.

(5) Each of the Trustee and the Collateral Agent may consult with counsel of its selection, and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(6) Notwithstanding any of the other provisions of this Indenture, the rights, privileges, protections, immunities and benefits given to the Trustee and/or the Collateral Agent, including, without limitation, its right to be compensated, reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee and the Collateral Agent in each of its capacities hereunder (including but not limited to as Registrar, Paying Agent and Depository Custodian), and each agent, custodian and other person employed to act hereunder.

(7) The right of the Trustee or the Collateral Agent to perform any discretionary act enumerated in this Indenture or the Notes Security Documents shall not be construed as a duty, and the Trustee and the Collateral Agent shall not be answerable for other than its own negligence or willful misconduct in the performance of such act.

(8) The Trustee and the Collateral Agent may from time to time request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture and the Notes Security Documents, which Officer's Certificate may be signed by any persons authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(9) In no event shall the Trustee or the Collateral Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee or the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

(10) The Trustee and the Collateral Agent will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness, or other paper or document, or inquire as to the performance by the Issuer or the Guarantors of any of their covenants in this Indenture or any of the Notes Security Documents but the Trustee or the Collateral Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

(11) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order or an Officer's Certificate, as applicable.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with either the Issuer or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest within the meaning of Section 310(b) of the TIA, it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee or resign. Any Agent may do the same with like rights. The Trustee shall also be subject to Sections 7.10 and 7.11.

Section 7.04 Disclaimer.

The recitals contained herein and in the Notes, except for the Trustee's certificate of authentication, shall be taken as the statements of the Issuer or the Guarantors, as the case may be, and neither the Trustee nor the Collateral Agent assumes responsibility for their correctness. The Trustee and the Collateral Agent shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes, any Note Guarantee or the Notes Security Documents, they shall not be accountable for the Issuer's or any Guarantor's use of the proceeds from the sale of Notes, they will not be responsible for the use or application of any money received by any Paying Agent (other than itself as Paying Agent) or any money paid to the Issuer or any Guarantor pursuant to the terms of this Indenture and they shall not be responsible for any statement in the Notes, the Note Guarantees, this Indenture or the Notes Security Documents other than the Trustee's certificate of authentication. Neither the Trustee nor the Collateral Agent shall be responsible for any statement in the Offering Memorandum or any other document utilized by the Issuer in connection with the sale of the Notes, and shall not be responsible for any rating on the Notes or any action or omission of any Rating Agency.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing (which shall not be cured or waived) and if it is known to the Trustee (pursuant to Section 7.01(a) hereof), the Trustee shall give to each Holder a notice of the Default or Event of Default within 90 days of having received such notice as provided in this Indenture. Except in the case of a Default or Event of Default relating to the payment of the principal, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of this Indenture), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 [Reserved].

Section 7.07 Compensation and Indemnity.

The Issuer and the Guarantors shall pay to the Trustee and the Collateral Agent from time to time compensation as agreed upon for its services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust). The Issuer and the Guarantors shall reimburse the Trustee and the Collateral Agent upon request for all reasonable disbursements, expenses and advances incurred or made by it in connection with the Trustee's and the Collateral Agent's duties under this Indenture, the Notes Guarantees, the Notes Security Documents and/or any other related documents including the reasonable compensation, disbursements and expenses of the Trustee's and the Collateral Agent's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify each of the Trustee and the Collateral Agent and its respective agents, employees, stockholders, attorneys, directors and officers and any predecessor Trustee or Collateral Agent for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including without limitation taxes (other than taxes based on the income of any such Person) and reasonable attorneys' fees and expenses (collectively, "Losses") incurred by each of them in connection with the acceptance or administration of this Indenture, the Notes Guarantees, the Notes Security Documents and/or any other related documents or the performance of their respective duties under this Indenture, the Notes, the Notes Guarantees, the Notes Security Documents and/or any other related documents or the exercise of the respective rights and powers under this Indenture, the Notes, the Note Guarantees, the Notes Security Documents and/or any other related documents, including the reasonable costs and expenses of enforcing this Indenture (including this Section 7.07), the Notes, the Note Guarantees, the Notes Security Documents, or any related documents or otherwise arising under such documents and including the reasonable costs and expenses of defending itself against any claim (whether asserted by any Holder, the Issuer, any Guarantor or otherwise) or liability in connection with the exercise or performance of any of its rights, powers or duties hereunder (including, without limitation, settlement costs). The Trustee or the Collateral Agent, as applicable, shall notify the Issuer and the Guarantors in writing promptly of any third party claim of which a Responsible Officer of the Trustee or the Collateral Agent, as applicable has actual knowledge asserted against the Trustee or the Collateral Agent, as applicable, for which it may seek indemnity (each, a "Third Party Claim"); *provided* that the failure by the Trustee or the Collateral Agent, as applicable to so notify the Issuer and the Guarantors shall not relieve the Issuer and Guarantors of their obligations hereunder except to the extent the Issuer and the Guarantors are actually prejudiced thereby. Neither the Issuer nor any Guarantor need pay for any settlement or provide any indemnification for any other Losses associated therewith to the extent such settlement is made in connection with any Third Party Claim without its consent, which consent shall not be unreasonably withheld or delayed. The Trustee and the Collateral Agent shall have the right to its own counsel and the Issuer shall pay the reasonable fees and expenses of such counsel in connection with any Third Party Claim to the extent the Trustee or the Collateral Agent, as applicable, reasonably determines that a conflict of interest exists or is required in connection with the performance of its duties under this Indenture.

Notwithstanding the foregoing, the Issuer and the Guarantors need not reimburse the Trustee or the Collateral Agent for any expense or indemnify it against any loss or liability to have been incurred by the Trustee or the Collateral Agent through its own negligence, bad faith or willful misconduct.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee except for such money or property held in trust to pay principal of and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture.

The obligations of the Issuer and the Guarantors under this Section 7.07 to compensate and indemnify the Trustee, the Collateral Agent, each predecessor Trustee and predecessor Collateral Agent and to pay or reimburse the Trustee, the Collateral Agent, each predecessor Trustee and each predecessor Collateral Agent for expenses, disbursements and advances shall be joint and several liabilities of the Issuer and each of the Guarantors and shall survive the resignation or removal of the Trustee or the Collateral Agent and the satisfaction, discharge or other termination of this Indenture, including any termination or rejection hereof under any Bankruptcy Law.

When the Trustee or the Collateral Agent incurs expenses or renders services after an Event of Default specified in Section 6.01 (7) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any applicable Bankruptcy Law.

For purposes of this Section 7.07, the term "Trustee" shall include any trustee appointed pursuant to this Article VII; *provided, however*, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder. The provisions of this Section 7.07 shall apply to Trustee in its capacity as Collateral Agent, Paying Agent, Registrar and any other Agent under this Indenture and/or the Notes Security Agreements and shall survive the termination of this Indenture and the resignation or removal of the Trustee and/or the Collateral Agent in any capacity.

Section 7.08 Replacement of Trustee or Collateral Agent.

The Trustee or the Collateral Agent may resign at any time by so notifying the Issuer and the Guarantors in writing. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee or the Collateral Agent by notifying the Issuer and the removed Trustee or Collateral Agent, as applicable, in writing and may appoint a successor Trustee or successor Collateral Agent, as applicable, with the Issuer's written consent, which consent shall not be unreasonably withheld. The Issuer may remove the Trustee or the Collateral Agent at its election if:

- (1) in the case of the Trustee, the Trustee fails to comply with Section 7.10;
- (2) the Trustee or the Collateral Agent, as applicable, is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or other public officer takes charge of the Trustee or its property or the Collateral Agent or its property, as applicable; or
- (4) the Trustee or the Collateral Agent, as applicable, otherwise becomes incapable of acting.

If the Trustee or the Collateral Agent resigns or is removed or if a vacancy exists in the office of Trustee or the Collateral Agent for any reason, the Issuer shall promptly appoint a successor Trustee or a successor Collateral Agent, as applicable.

If a successor Trustee or successor Collateral Agent does not take office within 30 days after the retiring Trustee or retiring Collateral Agent, as applicable, resigns or is removed, the retiring Trustee or retiring Collateral Agent, as applicable, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee or successor Collateral Agent, as applicable.

If the Trustee fails to comply with Section 7.10, Noteholders holding at least 10% in principal amount of the Notes may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee or successor Collateral Agent shall deliver a written acceptance of its appointment to the retiring Trustee or retiring Collateral Agent, as applicable, and to the Issuer. Immediately following such delivery, the retiring Trustee or retiring Collateral Agent, as applicable, shall, subject to its rights under Section 7.07, transfer all property held by it as Trustee or Collateral Agent to the successor Trustee or successor Collateral Agent, as applicable, the resignation or removal of the retiring Trustee or the retiring Collateral Agent, as applicable, shall become effective, and the successor Trustee or the successor Collateral Agent, as applicable, shall have all the rights, powers and duties of the Trustee or the Collateral Agent, as applicable, under this Indenture. A successor Trustee or successor Collateral Agent, as applicable, shall mail notice of its succession to each Noteholder. Notwithstanding replacement of the Trustee or the Collateral Agent pursuant to this Section 7.08, the Issuer's and the Guarantors' obligations under Section 7.07 shall continue for the benefit of the retiring Trustee or retiring Collateral Agent.

Section 7.09 Successor by Consolidation, Merger, etc.

If the Trustee or the Collateral Agent consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust assets to, another corporation, subject to Section 7.10, the successor corporation without any further act shall be the successor Trustee or successor Collateral Agent, as applicable; *provided* that such entity shall be otherwise qualified and eligible under this Article VII.

Section 7.10 Eligibility; Disqualification.

There will at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Section 7.11 Preferential Collection of Claims Against Issuer.

The Trustee is subject to and shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

Section 7.12 Paying Agents.

The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to it and the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 7.12:

- (A) that it will hold all sums held by it as agent for the payment of principal of, or premium, if any, or interest on, the Notes (whether such sums have been paid to it by the Issuer or by any obligor on the Notes) in trust for the benefit of Holders or the Trustee;
- (B) that it will at any time during the continuance of any Event of Default, upon written request from the Trustee, deliver to the Trustee all sums so held in trust by it together with a full accounting thereof; and
- (C) that it will give the Trustee written notice within three Business Days of any failure of the Issuer (or by any obligor on the Notes) in the payment of any installment of the principal of, premium, if any, or interest on, the Notes when the same shall be due and payable.

ARTICLE VIII

AMENDMENT, SUPPLEMENT AND WAIVER

Section 8.01 Without Consent of Noteholders.

Notwithstanding Section 8.02, the Issuer, the Guarantors and the Trustee and the Collateral Agent may modify and amend or supplement this Indenture, the Notes, the Note Guarantees or the Notes Security Documents without the consent of any Holder for any of the following purposes:

- (1) to cure any ambiguity, omission, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of Physical Notes (*provided* that such Notes are in registered form for purposes of Section 163(f) of the Code);
- (3) to provide for the assumption of the Issuer's or any Guarantor's obligations to the Holders in the case of a merger or consolidation or sale of all or substantially all of the Issuer's or such Guarantor's assets;
- (4) to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Notes Security Documents or provide for any release of Collateral pursuant to the terms of this Indenture or any of the Notes Security Documents;
- (5) to add any Guarantor or release any Guarantor from its Note Guarantee if such release is permitted by the terms of this Indenture;
- (6) to conform the text of this Indenture, the Notes, the Note Guarantees or the Notes Security Documents to any provision of the "Description of the Notes" section of the Offering Memorandum to the extent that such provision in the "Description of the Notes" section of the Offering Memorandum was intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Note Guarantees or the Notes Security Documents;
- (7) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;
- (8) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the rights under this Indenture of any Holder in any material respect;
- (9) to comply with the rules of any applicable securities depository;

(10) to evidence and provide for the acceptance of appointment by a successor or separate Trustee or Collateral Agent with respect to the Notes;

(11) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes; *provided, however*, that (a) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not adversely affect the rights of Holders to transfer Notes;

(12) to enter into any intercreditor agreement pursuant to this Indenture having substantially similar terms with respect to the Holders as those set forth in the Intercreditor Agreements, take as a whole, or any joinder thereto;

(13) in the case of any Notes Security Document, to include therein any legend required to be set forth therein pursuant to the Intercreditor Agreements or to modify any such legend as required by the Intercreditor Agreements;

(14) to provide for the succession of any parties to the Notes Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the ABL Credit Facility, the Term Loan Credit Facility or any other agreement that is not prohibited by this Indenture;

(15) secure additional extensions of credit and add additional secured creditors holding other Fixed Asset Debt so long as such Fixed Asset Debt is not prohibited by the provisions of this Indenture; or

(16) to add Additional Assets as Collateral.

After an amendment or supplement under this Section 8.01 becomes effective, the Issuer shall send to the Holders a notice briefly describing the amendment or supplement. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment or supplement.

Section 8.02 With Consent of Noteholders.

(a) Except to the extent provided in Section 8.01 and subsections (b) and (c) of this Section 8.02, this Indenture, the Notes, any Note Guarantee or the Notes Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a purchase of, tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes, any Note Guarantee or the Notes Security Documents may be waived with the consent of the Holders of a

majority in aggregate principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with a purchase of, tender offer or exchange offer for, Notes).

(b) Notwithstanding subsection (a) of this Section 8.02, without the consent of each Holder affected thereby, an amendment or waiver may not (with respect to any Note held by a non-consenting Holder):

- (1) reduce the principal amount of Notes issued under this Indenture whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal amount of or change the Maturity Date of any Notes, or alter the provisions with respect to the redemption of any such Notes other than the provisions of Sections 4.07 and 4.08 of this Indenture;
- (3) reduce the rate of or change the time for payment of interest on any such Notes;
- (4) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on any such Notes (except a rescission of acceleration of Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the Payment Default that resulted from such acceleration);
- (5) make any such Note payable in currency other than that stated in such Note;
- (6) modify any of the provisions in this Indenture regarding the waiver of past Defaults;
- (7) amend the contractual right expressly set forth in this Indenture or any Note of any Holder to institute suit for the enforcement of any payment of principal of, premium, if any, or interest on such Note on or after the Stated Maturity or Redemption Date of any such Note;
- (8) release the Issuer or any Guarantor that is a Significant Subsidiary from any of its obligations under its Note Guarantee or this Indenture otherwise than in accordance with the terms of this Indenture; or
- (9) modify or change any provision of this Indenture affecting the ranking of the Notes or Note Guarantees in a manner adverse to the Holders.

(c) In addition, without the consent of the Holders of at least 66⅔% in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), no amendment, supplement or waiver may (1) have the effect of releasing all or substantially all of the Collateral from the Liens created pursuant to the Notes Security Documents (except as permitted by the terms of this Indenture or the Notes Security Documents) or changing or altering the priority of the security interests of the Holders in the Collateral under the Intercreditor Agreements, (2) make any change in the Notes Security Documents or the provisions in this Indenture dealing with the application of proceeds of the Collateral that would adversely affect the Holders in any material respect or (3) modify the Notes Security Documents or the provisions of this Indenture dealing with Collateral in any manner adverse to the Holders in any material respect other than in accordance with the terms of this Indenture or the Notes Security Documents; *provided* that (x) if any such amendment, supplement or waiver will only affect one series of Notes (or less than all series of the Notes) then outstanding under this Indenture, then only the consent of the Holders of at least 66⅔% in aggregate principal amount of the Notes of such series then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, such series of the Notes) shall be required.

(d) It shall not be necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

(e) No amendment of, or supplement or waiver to, this Indenture, the Notes, any Note Guarantee or the Notes Security Documents shall be permitted to be effected if such amendment, supplement or waiver is in violation of or inconsistent with the terms of the Intercreditor Agreements. No amendment of, or supplement or waiver to the Intercreditor Agreements shall be permitted to be effected without the consent of the Collateral Agent, the ABL Collateral Agent and any other Fixed Asset Representative then party thereto, other than pursuant to the terms thereof.

(f) After an amendment, supplement or waiver under this Section 8.02 becomes effective, the Issuer shall send to the Holders a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

Section 8.03 [Reserved].

Section 8.04 Revocation and Effect of Consents.

(a) Until an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder is a continuing consent, conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Noteholders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Noteholders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Noteholders has been obtained.

(c) After an amendment, supplement, waiver or other action under Section 8.01 or Section 8.02 becomes effective, it shall bind every Noteholder, unless it makes a change described in any of clauses (1) through (9) of Section 8.02(b). In that case the amendment, supplement, waiver or other action shall bind each Noteholder who has consented to it and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note.

Section 8.05 Notation on or Exchange of Notes.

If an amendment, supplement, or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Issuer) shall request the Holder of the Note to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Noteholder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue, the Guarantors shall endorse and, upon receipt of an Authentication Order in accordance with Section 2.01, the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 8.06 Trustee and Collateral Agent to Sign Amendments, etc.

The Trustee and, as applicable, the Collateral Agent, shall sign any amendment, supplement or waiver authorized pursuant to this Article VIII if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee and, as applicable, the Collateral Agent. If it does adversely affect the rights, duties, liabilities or immunities of the Trustee or the Collateral Agent, if applicable, the Trustee or the Collateral Agent, as applicable, may, but need not, sign such amendment, supplement or waiver. The Issuer or the Guarantors may not sign an amendment, supplement or waiver until its Board of Directors approve it. Notwithstanding anything herein to the contrary, in signing an amendment, supplement or waiver, the Trustee and, as applicable, the Collateral Agent shall be entitled to receive and, subject to Section 7.01, shall be fully protected in relying upon an Officer's Certificate and (other than in the case of an amendment or supplement for the purpose of adding a Guarantor under this Indenture in accordance with Section 8.01(5)) an Opinion of Counsel stating, in addition to the matters required by Section 12.04, that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is a legal, valid and binding obligation of the Issuer and

the Guarantors party thereto, enforceable against the Issuer and the Guarantors party thereto in accordance with its terms (subject to customary exceptions). Guarantors may, but shall not be required to, execute supplemental indentures that do not modify such Guarantor's Note Guarantee.

ARTICLE IX

DISCHARGE OF INDENTURE; DEFEASANCE

Section 9.01 Discharge of Indenture.

This Indenture and the Notes Security Documents will be discharged and will cease to be of further effect as to the Notes and Note Guarantees, and the Trustee and the Collateral Agent, at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, the Notes Security Documents, the Notes and the Note Guarantees, when either:

(1) the Issuer delivers to the Trustee all outstanding Notes issued under this Indenture (other than (i) Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.08 and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) for cancellation; or

(2) (a) all Notes outstanding under this Indenture not theretofore delivered to the Trustee for cancellation (I) have become due and payable, whether on the Maturity Date or as a result of the sending of a notice of redemption, or otherwise (II) will become due and payable within one year, or (III) are to be called for redemption within one year, under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor irrevocably deposits or cause to be deposited with the Trustee as funds in trust solely for the benefit of the Holders, cash in U.S. Dollars, U.S. Government Obligations or a combination thereof in an amount sufficient to pay the principal of, premium, if any, and accrued and unpaid interest on the Notes outstanding under this Indenture not theretofore delivered to the Trustee for cancellation on the Maturity Date or on the applicable Redemption Date, as the case may be; (b) no Default or Event of Default (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit shall not result in a breach or violation of, or constitute a default under, any material instrument to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from the borrowing of funds to be applied to such deposit and the granting of Liens in connection therewith); (c) the Issuer or any Guarantor has paid or caused to be paid all sums payable by the Issuer or any Guarantor under this Indenture; and (d) the Issuer have delivered (I) irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes on the Maturity Date or the applicable Redemption Date, as the case may be, and (II) an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent

herein provided relating to the satisfaction and discharge of this Indenture have been complied with.

The Trustee shall acknowledge satisfaction and discharge of this Indenture on demand of and at the expense of the Issuer.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer and the Guarantors, as applicable, under Sections 4.01, 4.02, 7.07 and, if money shall have been deposited with the Trustee pursuant to Section 9.01(2), 9.05 and the obligations of the Trustee under Sections 9.05, 9.07 and 9.08 shall survive such satisfaction and discharge.

Section 9.02 Legal Defeasance.

The Issuer may, at its option and at any time, elect to have all of its obligations and the obligations of the Guarantors discharged with respect to all outstanding Notes on the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), to have cured all then existing Events of Default and to have satisfied all of its other obligations under such Notes, the Note Guarantees, this Indenture and the Notes Security Documents, and to have Liens on the Collateral securing the Notes released (and the Trustee, on demand of and at the expense of the Issuer, shall, subject to Section 9.06, execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(1) the rights of the Holders of the outstanding Notes to receive solely from the trust described in Section 9.04 and as more fully set forth in Section 9.04, payments in respect of the principal amount of, premium, if any, and interest on such Notes when such payments are due;

- (2) the Issuer's obligations with respect to such Notes under Sections 2.07, 2.08, 2.11, 4.02 and 9.05;
- (3) the rights, powers, trusts, duties, and immunities of the Trustee hereunder (including claims of, or payments to, the Trustee under or pursuant to Section 7.07) and the Issuer's and the Guarantors' obligations in connection therewith; and
- (4) this Section 9.02.

Concurrently with any Legal Defeasance, the Issuer may, at its further option, cause to be terminated, as of the date on which such Legal Defeasance occurs, all of the obligations under any or all of the Note Guarantees, if any, then existing and obtain the release of the Note Guarantees of any or all Guarantors.

Subject to compliance with this Article IX (other than Section 9.01), the Issuer may exercise its option under this Section 9.02 with respect to the Notes notwithstanding the prior exercise of its option under Section 9.03 with respect to the Notes.

Section 9.03 Covenant Defeasance.

The Issuer may, at its option and at any time, elect to have all of its obligations and the obligations of the Guarantors under Sections 4.03, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 11.03, 11.04, 11.05 and 11.06 and clauses (2) through (7) of Section 5.01(a), released with respect to the Notes on the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Notes shall thereafter be deemed not to be "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the Notes, the Issuer and its Restricted Subsidiaries may omit or fail to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture, the Notes and the Note Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise of the option in this Section 9.03, subject to the satisfaction of the conditions set forth in Section 9.04, Sections 6.01(3), (4), (5), (6), (7) (solely with respect to a Restricted Subsidiary that is a Significant Subsidiary and any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), (8) and (9) shall not constitute Events of Default.

Notwithstanding any discharge or release of any obligations under this Indenture pursuant to Section 9.02 or this Section 9.03, the obligations of the Issuer and the Guarantors, as applicable, under Sections 7.07, 9.05 and 9.06 and, the obligations of the Trustee under Sections 9.05, 9.07 and 9.08 shall survive such discharge or release.

Section 9.04 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to application of Section 9.02 or Section 9.03 to the outstanding Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders issued under this Indenture, cash in U.S. Dollars, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient, in the opinion of an Advisory Firm (such opinion shall be delivered to the Trustee, and upon which the Trustee shall have no liability in relying), to pay the principal, premium, if any, and interest on the Notes outstanding under this Indenture on the Maturity Date or on the applicable Redemption Date, as the case may be, and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States (upon which the Trustee shall have no liability in relying) confirming that (a) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the beneficial owners of the Notes outstanding under this Indenture will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States (upon which the Trustee shall have no liability in relying) confirming that the beneficial owners of the Notes outstanding under this Indenture will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens in connection therewith) or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound (other than that resulting from the borrowing of funds to be applied to such deposit and the granting of Liens in connection therewith);

(6) the Issuer must deliver to the Trustee an Officer's Certificate (upon which the Trustee shall have no liability in relying) stating that the deposit was not made by the Issuer with the intent of preferring the Holders of Notes issued under this Indenture over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding creditors of the Issuer or others; and

(7) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel upon which the Trustee shall have the right to rely, each stating that all conditions precedent provided for relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 9.05 Deposited Money and U.S. Government Obligations To Be Held in Trust.

Subject to Section 9.08, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 9.01 or Section 9.04, as the case may be, in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agents (including the Issuer or a Guarantor acting as Paying Agent), to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer and the Guarantors shall (on a joint and several basis) pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 9.01 or Section 9.04, as the case may be, or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article IX to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon a request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 9.01 or Section 9.04, as the case may be, which, in the opinion of an Advisory Firm expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance or satisfaction and discharge of this Indenture.

Section 9.06 Reinstatement.

If the Trustee or any Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01, 9.02 or 9.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and each Guarantor's obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article IX until such time as the Trustee or such Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01, 9.02 or 9.03, as the case may be; *provided* that if the Issuer or the Guarantors have made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of their obligations, the Issuer or the Guarantors, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or any Paying Agent.

Section 9.07 Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture, all moneys and U.S. Government Obligations then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Issuer, be paid or delivered to the Trustee, or if sufficient moneys and U.S. Government Obligations have been deposited pursuant to Section 9.04, to the Issuer upon a request of the Issuer (or, if such moneys and U.S. Government Obligations had been deposited by the Guarantors, to such Guarantors), and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

Section 9.08 Moneys Held by Trustee.

Subject to applicable escheat laws, any moneys and U.S. Government Obligations deposited with the Trustee or any Paying Agent or then held by the Issuer or the Guarantors in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid or returned to the Issuer (or, if appropriate, the Guarantors) upon a request of the Issuer, or if such moneys and U.S. Government Obligations are then held by the Issuer or the Guarantors in trust, such moneys and U.S. Government Obligations shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only

to the Issuer and the Guarantors for the payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust moneys and U.S. Government Obligations shall thereupon cease.

ARTICLE X

GUARANTEE OF SECURITIES

Section 10.01 Guarantee.

Subject to this Article X, the Guarantors, by execution of this Indenture, jointly and severally, guarantee to each Holder, the Collateral Agent and to the Trustee (i) the due and punctual payment of the principal of, premium, if any, and interest on each Note, when and as the same shall become due and payable, whether on the Maturity Date, by acceleration or otherwise, the due and punctual payment of interest on the overdue principal of and interest on the Notes, to the extent lawful, and the due and punctual payment of all other obligations and due and punctual performance of all obligations of the Issuer to the Holders, the Collateral Agent or the Trustee all in accordance with the terms of such Note and this Indenture and the Notes Security Documents together with all other Obligations and (ii) in the case of any extension of time of payment or renewal of any Notes or any of such other obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, at stated maturity, by acceleration or otherwise, in each case, to the limitation set forth in Section 10.06. Each Guarantor, by execution of this Indenture, agrees that, subject only to the applicable provisions, if any, of Section 10.06, its obligations hereunder shall be absolute and unconditional, irrespective of the validity, regularity or enforceability of any such Note or this Indenture, any failure to enforce the provisions of any such Note or this Indenture, any waiver or consent with respect thereto by the Holder of such Note, or any other circumstances which may otherwise constitute a legal or equitable discharge of a surety or such Guarantor. Each Guarantor further agrees that its Note Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection).

Each Guarantor hereby waives (to the extent permitted by law) diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to any such Note or the Indebtedness evidenced thereby and all demands whatsoever, and covenants that this Guarantee will not be discharged as to any such Note except by payment in full of the principal thereof and interest thereon. Each Guarantor hereby agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such obligations as provided in Article VI, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Guarantee.

The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Trustee or any Holder under the Note Guarantees. Each Guarantor that makes a payment under its Note Guarantee shall be

entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.02 Execution and Delivery of Note Guarantee.

To evidence the Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees this Indenture (or supplemental indenture in the form of Exhibit J hereto) shall be executed by either manual, facsimile or electronic (including ".pdf") signature of an Officer of such Guarantor.

Each of the Guarantors hereby agrees that its Note Guarantee set forth in Section 10.01 shall be in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer of a Guarantor whose signature is on this Indenture (or a supplemental indenture in the form of Exhibit J hereto) no longer holds that office at the time the Trustee authenticates the Note, such Guarantor's Guarantee of such Note shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Note Guarantee set forth in this Indenture on behalf of the Guarantor.

Section 10.03 Release of Guarantors.

(a) A Note Guarantee of a Subsidiary Guarantor will be unconditionally and automatically released and discharged upon any of the following:

(1) any Transfer (including, without limitation, by way of consolidation, merger, dividend, distribution or otherwise) by such Subsidiary Guarantor to any Person that is not a Guarantor or the Issuer of all or substantially all of the properties and assets of such Subsidiary Guarantor, so long as such Transfer is made in accordance with the applicable provisions of this Indenture and such Subsidiary Guarantor is also released from its Guarantee and all pledges and security interests granted in connection with the Term Loan Credit Facility and Certain Other Indebtedness;

(2) the designation by the Issuer of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(3) any Transfer directly or indirectly (including, without limitation, by way of consolidation, merger, dividend, distribution or otherwise) to any Person that is not a Guarantor or the Issuer of Equity Interests of such Subsidiary Guarantor or any issuance by such Subsidiary Guarantor of its Equity Interests, such that such Subsidiary Guarantor ceases to be a Subsidiary of the Issuer, so long as such Transfer is made in accordance with the applicable provisions of this Indenture and such Subsidiary Guarantor is also released from its Guarantee and all pledges and security interests granted in connection with the Term Loan Credit Facility and Certain Other Indebtedness;

(4) the merger or consolidation of any Subsidiary Guarantor with and into the Issuer or another Subsidiary Guarantor that is the surviving Person in such merger or consolidation, or, subject to compliance with Article V, upon the liquidation of a Subsidiary Guarantor;

(5) the release or discharge of the Guarantee by, or direct obligation of, such Subsidiary Guarantor in respect of the Term Loan Credit Facility, Certain Other Indebtedness or any other Indebtedness that gave rise to such Subsidiary Guarantor's obligation to provide such Note Guarantee, except in each case, a release or discharge by, or as a result of, payment under such Obligation or Guarantee, but only if the Liens on Collateral of such Subsidiary Guarantor are also substantially concurrently released pursuant to the terms of any other ABL Obligations and Fixed Asset Obligations;

(6) upon payment in full of the principal of, accrual and unpaid interest and premium (if any) on the Notes; or

(7) upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture in accordance with Article IX.

(b) A Note Guarantee of a Subsidiary Guarantor also will be automatically released upon the applicable Subsidiary ceasing to be a Subsidiary as a result of any foreclosure of any pledge or security interest securing either the Term Loan Credit Facility or the Notes or other exercise of remedies in respect thereof in accordance with the Intercreditor Agreements.

(c) The Note Guarantees of Holdings will be released (i) if the Issuer exercises its Legal Defeasance option or Covenant Defeasance option as described under Article IX, (ii) if the Issuer's Obligations under this Indenture are discharged (including pursuant to a satisfaction and discharge of this Indenture as described in Article IX; through redemption or repurchase of all the Notes; through repayment in full of the Notes; or otherwise) in accordance with the terms of this Indenture or (iii) if there is a release or discharge of such Guarantee by, or direct obligation of, Holdings of the obligations under the Term Loan Credit Facility or Certain Other Indebtedness, except a discharge or release by or as a result of payment in connection with the enforcement of remedies under such Guarantee or direct obligation.

(d) No such release or discharge of a Note Guarantee of a Guarantor shall be effective against the Trustee or the Holders to which such Note Guarantee relates until the Issuer shall have delivered to the Trustee an Officer's Certificate, upon which the Trustee shall have the right to rely, stating that all conditions precedent provided for in this Indenture relating to such transactions have been complied with. At the request of the Issuer, and upon being provided an Officer's Certificate, the Trustee shall execute and deliver an instrument evidencing such release.

(e) If the Note Guarantee of any Guarantor is deemed to be released or is automatically released, the Issuer shall deliver to the Trustee an Officer's Certificate stating the identity of the released Guarantor, the basis for release in reasonable detail, and that such release complies with this Indenture. At the request of the Issuer, and upon delivery to the Trustee of an Officer's Certificate and an Opinion of Counsel that a Guarantor has been released and that execution by the Trustee of an appropriate instrument evidencing the release of such Guarantor from its Guarantee complies with this Indenture, the Trustee shall execute any documents reasonably requested by either the Issuer or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Guarantee endorsed on the Notes and under this Article X (it being understood that the failure to obtain any such instrument shall not impair any automatic release pursuant to this Section 10.03).

Section 10.04 Waiver of Subrogation.

Each Guarantor hereby irrevocably waives any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under its Note Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or Note on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will

receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.04 is knowingly made in contemplation of such benefits.

Section 10.05 [Reserved].

Section 10.06 Limitation on Guarantor's Liability.

Each Guarantor, and by its acceptance hereof, each Holder and the Trustee, hereby confirm that it is the intention of all such parties that the Guarantee of a Guarantor does not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar U.S. Federal or state or other applicable law. To effectuate the foregoing intention, the Trustee, each Holder and each Guarantor hereby irrevocably agree that the obligations of a Guarantor under its Note Guarantee shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor, result in the obligations of such Guarantor not constituting such a fraudulent transfer or conveyance.

ARTICLE XI.

COLLATERAL AND SECURITY

Section 11.01 Collateral.

(a) The due and punctual payment of the principal of, premium, if any, and interest on the Notes, when and as the same shall become due and payable, whether on the Maturity Date, by acceleration or otherwise, the due and punctual payment of interest on the overdue principal of and interest on the Notes, to the extent lawful, and the due and punctual performance of all Obligations of the Issuer and the Guarantors to the Holders, the Trustee and/or the Collateral Agent, in accordance with the terms of the Notes, this Indenture, the Note Guarantees and the Notes Security Documents, shall be secured, according to the terms hereunder or thereunder, by a Lien on the Collateral on an equal and ratable basis with any other Fixed Asset Obligations, subject to Permitted Liens and the terms of the Intercreditor Agreements, as provided in this Indenture and the Notes Security Documents, and will be secured by all of the Collateral pledged pursuant to the Notes Security Documents hereafter delivered as required or permitted by this Indenture and the Notes Security Documents, and subject to the terms thereof. The Issuer, for the benefit of the Holders, hereby appoints U.S. Bank National Association as the initial Collateral Agent, and the Collateral Agent is hereby authorized and directed to execute and deliver the Notes Security Documents. Each Holder by its acceptance of any Notes and the Note Guarantees thereof, irrevocably consents and agrees to such appointment.

(b) Each Holder, by its acceptance of any Notes and the Note Guarantees, consents and agrees to the terms of the Notes Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral and the automatic amendments, supplements, consents, waivers and other modifications thereto without the consent of the Holders) as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and authorizes and directs the Collateral Agent and the Trustee, as applicable, to enter into the Notes Security Documents on the Issue Date, and, at any time after the Issue Date, if applicable, any intercreditor agreement in respect of Junior Indebtedness (any such agreement, in customary market form (as reasonably determined by the Issuer as set forth in an Officer's Certificate delivered to the Trustee and the Collateral Agent) that neither contravenes nor is prohibited by this Indenture and other Indebtedness secured by any Collateral or the Intercreditor Agreements and otherwise in form and substance reasonably acceptable to the Notes Collateral Agent), and any joinders to the foregoing, to which it is a party, at any time after the Issue Date, if applicable, to perform its obligations and exercise its rights thereunder in accordance therewith.

(c) The Trustee and each Holder, by accepting the Notes and the Note Guarantees, acknowledges that, as more fully set forth in the Notes Security Documents, the Collateral as hereafter constituted shall be held for the benefit of all the Holders and the Trustee and the Collateral Agent, and that the Lien of this Indenture and the Notes Security Documents in respect of the Trustee, the Collateral Agent and the Holders is subject to and qualified and limited in all respects by the Notes Security Documents and actions that may be taken thereunder.

Section 11.02 Maintenance of Collateral.

The Issuer and the Guarantors (other than the Dutch Guarantor) shall maintain and preserve the Collateral; *provided* that the Issuer and the Guarantors may dispose of Collateral to the extent not otherwise prohibited by this Indenture. Except as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on (a) the ability of the Issuer and the Guarantors (other than the Dutch Guarantor) (taken as a whole) to perform their respective obligations hereunder or under the Notes Security Documents or (b) on the rights and remedies of the Holders under this Indenture or the Notes Security Documents, the Issuer and the Guarantors (other than the Dutch Guarantor) shall pay all real estate and other taxes (except such as are being contested in good faith by appropriate negotiations or proceedings), and use commercially reasonable efforts to maintain in full force and effect insurance in amounts (after giving effect to self-insurance), and that insures against such losses and risks, as are reasonable for the type and size of the business conducted by the Issuer and the Guarantors (other than the Dutch Guarantor).

Section 11.03 Further Assurances.

(a) On or following the Issue Date and subject to the limitations and exceptions set forth in the Notes Security Documents and this Indenture (including with respect to Excluded Assets), the Issuer and the Guarantors (other than the Dutch Guarantor) shall execute, deliver and file, as appropriate any and all further documents, financing statements (including continuation statements and amendments to financing statements), agreements and instruments, and take all further actions that may be required under applicable law, in order to grant, preserve, protect and perfect the validity and priority of the security interests and Liens created or intended to be created by the Notes Security Documents in the Collateral subject to the exceptions set forth in this Indenture and Notes Security Documents; *provided* that for so long as there any other outstanding Fixed Asset Obligations, no actions shall be required to be taken with respect to the perfection of the security interest in the Collateral to the extent such actions are not required to be taken, and have not been taken, with respect to the Fixed Asset Documents for such other Fixed Asset Obligations. In addition, to the extent required under this Indenture or any of the Notes Security Documents, from time to time, the Issuer and the Guarantors (other than the Dutch Guarantor) will reasonably promptly secure the obligations under this Indenture and Notes Security Documents by pledging or creating, or causing to be pledged or created, perfected security interests and Liens with respect to the Collateral to the extent required by this Indenture and/or the Notes Security Documents; *provided* that for so long as there any outstanding Fixed Asset Obligations, no actions shall be required to be taken with respect to the pledging of Collateral or creation of security interests in the Collateral to the extent such actions are not required to be taken, and have not been taken, with respect to the Fixed Asset Documents for such other Fixed Asset Obligations.

(b) Neither the Collateral Agent nor the Trustee undertakes any responsibility whatsoever to determine whether any of the foregoing covenants have been satisfied, and neither shall have any liability whatsoever arising out of the failure of the Issuer or any of the Guarantors to satisfy such requirements.

Section 11.04 After-Acquired Collateral.

From and after the Issue Date, and subject to the limitations and exceptions set forth in the Notes Security Documents and this Indenture (including with respect to Excluded Assets), upon the acquisition by any of the Issuer or the Guarantors (other than the Dutch Guarantor) of any assets, including, but not limited to, any Material Real Property, that qualifies as Collateral, that, in any such case, form part of the Collateral, the Issuer or such Guarantor (other than the Dutch Guarantor) shall execute and deliver and file, as applicable (i) with regard to real property that qualifies as Collateral, the items described under Section 11.05 within 90 days of the date of acquisition of the applicable asset (as such date may be adjusted to the extent any such actions are not or cannot be completed within such timeframe as a result of the occurrence of the COVID-19 pandemic (including without limitation, as a result of any notary services being unavailable) after the use of commercially reasonable efforts to do so or without undue burden or expense or risk to human health) and (ii) with regard to any other after-acquired property that qualifies as Collateral, the Issuer or such Guarantor

(other than the Dutch Guarantor) shall execute, file and deliver, to the extent required by this Indenture and/or the Notes Security Documents, any information, documentation, financing statements or other certificates and opinions of counsel as may be necessary to vest in the Collateral Agent a perfected security interest, with the priority required by this Indenture and the Notes Security Documents, subject only to Permitted Liens and the perfection exceptions (as provided in the Notes Security Documents), in such after-acquired property and to have such after-acquired property added to the Collateral, and thereupon all provisions of this Indenture and the Notes Security Documents relating to the Collateral shall be deemed to relate to such after-acquired property to the same extent and with the same force and effect.

Neither the Collateral Agent nor the Trustee undertakes any responsibility whatsoever to determine whether any of the foregoing covenants have been satisfied, and neither shall have any liability whatsoever arising out of the failure of the Issuer or any of the Guarantors to satisfy such requirements.

Section 11.05 Real Estate Mortgages and Filings.

With respect to any fee interest in any Premises owned by the Issuer or a Guarantor (other than the Dutch Guarantor) on the Issue Date or acquired by the Issuer or a Guarantor (other than the Dutch Guarantor) after the Issue Date that forms a part of the Collateral (but specifically excluding Excluded Assets), the Issuer shall, subject to the terms of the Intercreditor Agreements:

(1) within 90 days of the Issue Date (as such date may be adjusted to the extent any such actions are not or cannot be completed within such timeframe as a result of the occurrence of the COVID-19 pandemic (including without limitation, as a result of any notary services being unavailable) after the use of commercially reasonable efforts to do so or without undue burden or expense or risk to human health) or within 90 days of the date of acquisition (as such date may be adjusted to the extent any such actions are not or cannot be completed within such timeframe as a result of the occurrence of the COVID-19 pandemic (including without limitation, as a result of any notary services being unavailable) after the use of commercially reasonable efforts to do so or without undue burden or expense or risk to human health), deliver, or cause to be delivered, Mortgages (and other documentation and instruments referred to in clause (5) of this Section 11.05) (with respect to Material Real Properties only), pledge supplements, security agreement supplements and other security agreements, as specified by and in form and substance reasonably satisfactory to the Collateral Agent (consistent with the Notes Security Documents), securing payment of all the Obligations of the Issuer or applicable Guarantor (other than the Dutch Guarantor), as the case may be, under this Indenture and constituting Liens on all such properties;

Section 11.08 Authorization of Actions to be Taken by the Trustee or the Collateral Agent under the Notes Security Documents.

Subject to the provisions of the Notes Security Documents, the Trustee or the Collateral Agent shall have the power, but not the obligation, to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Notes Security Documents or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent may deem expedient to preserve or protect its interest and the interests of the Holders in the Collateral.

(b) None of the Collateral Agent, Trustee, Paying Agent, Registrar, such other agent nor any of their respective officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral (except the custody of Collateral in its possession using the same care it provides for its own possessory collateral and the accounting for monies actually received), for the legality, enforceability, effectiveness or sufficiency of the Notes Security Documents, or for the creation, perfection, priority, sufficiency or protection of any Liens or any defect or deficiency. In addition, none of the foregoing will have any duties or responsibilities or obligations other than those expressly assumed by it in this Indenture and the Notes Security Documents and will not be required to take any action that is contrary to applicable law or any provision of this Indenture or any of the Notes Security Documents.

Section 11.09 Information Regarding Collateral.

(a) The Issuer will furnish to the Collateral Agent, with respect to the Issuer or any Guarantor (other than the Dutch Guarantor), prompt written notice following any change in such Person's (1) legal name, (2) jurisdiction of organization or formation or (3) identity or corporate structure, in each case, within 30 days of such change (or such later date as the Term Loan Credit Facility Collateral Agent may have agreed to under the Term Loan Credit Facility). Promptly upon the occurrence of any of the foregoing, the Issuer and the Guarantors (other than the Dutch Guarantor) will make all filings under the UCC and any other applicable laws that are required by this Indenture and/or the Notes Security Documents in order for the Collateral to be perfected subject to the Lien of the Collateral Agent under this Indenture and/or the Notes Security Documents in the manner and to the extent required by this Indenture or any of the Notes Security Documents, and shall take all necessary action so that such Lien is perfected with the same priority as immediately prior to such change to the extent required by this Indenture and/or the Notes Security Documents.

(b) The Issuer shall deliver to the Trustee and the Collateral Agent an Officer's Certificate attaching supplemental schedules required under the Notes Security Documents to the extent required under and at the same time as similar supplemental schedules are delivered to the Term Loan Credit Facility Collateral Agent.

Section 11.10 Notes Security Documents.

The provisions in this Indenture relating to Collateral are subject to the provisions of the Notes Security Documents. The Issuer, the Guarantors (other than the Dutch Guarantor), the Trustee and the Collateral Agent acknowledge and agree to be bound by the provisions of the Notes Security Documents.

Section 11.11 Collateral Agent.

Notwithstanding anything else to the contrary herein, whenever reference is made in this Indenture or the Notes Security Documents to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Indenture or the Notes Security Documents if it shall not have received such written instruction, advice or concurrence of the Holders of a majority of an aggregate principal amount of the applicable series of Notes.

ARTICLE XII.

MISCELLANEOUS

Section 12.01 Currency Indemnity.

The U.S. Dollar is the sole currency (the "Required Currency") of account and payment for all sums payable by the Issuer or any Guarantor under or in connection with the Notes, this Indenture and the Guarantees, including damages. Any amount with respect to the Notes, this Indenture or the Guarantees received or recovered in a currency other than the Required Currency, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Issuer or any Guarantor or otherwise by any Holder or by the Trustee, Collateral Agent or Paying Agent, in respect of any sum expressed to be due to it from the Issuer or any Guarantor will only constitute a discharge to the Issuer or such Guarantor to the extent of the Required Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that Required Currency amount is less than the Required Currency amount expressed to be due to the recipient or the Trustee, Collateral Agent or Paying Agent under the Notes, the Issuer and each Guarantor will indemnify such recipient and/or the Trustee, Collateral Agent or Paying Agent against any loss sustained by it as a result. In any event, the Issuer and each Guarantor will indemnify the recipient against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be prima facie evidence of the matter stated therein, for the Holder of a Note or the Trustee, Collateral Agent or Paying Agent to certify in a manner satisfactory to the Issuer (indicating the sources of information used) the loss it incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's and each Guarantor's other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee, Collateral Agent or Paying Agent (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee or Collateral Agent. For the purposes of determining the amount in a currency other than the Required Currency, such amount shall be determined using the relevant currency exchange rate then in effect.

All notices and communications (other than those sent to Holders) shall be deemed to have been duly given at the time delivered by hand, if personally delivered; five (5) calendar days after mailing if sent by first class mail, postage prepaid (except that a notice of change of address shall not be deemed to have been given until actually received by the addressee); when receipt acknowledged, if faxed; on the first date on which the publication is made, if given by publication; the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery; and at the time sent, if given electronically. Notice otherwise given in accordance with the procedures of the Depository will be deemed given on the date sent to the Depository.

Each of the Trustee and the Collateral Agent shall accept and act upon instructions, directions, reports, notices and other communications or information pursuant to this Indenture sent by unsecured electronic transmissions (including email and .pdf attachments); *provided* that (i) neither the Trustee nor the Collateral Agent shall have any duty or obligation to verify or confirm that the Person sending instructions, directions, reports, notices or other communications or information by electronic transmission is, in fact, a Person authorized to give such instructions, directions, reports, notices or other communications or information on behalf of the party purporting to send such electronic transmission; and neither the Trustee nor the Collateral Agent shall have any liability for any losses, liabilities, costs or expenses incurred or sustained by any party as a result of such reliance upon or compliance with such instructions, directions, reports, notices or other communications or information and (ii) each other party agrees to assume all risks arising out of the use of electronic methods to submit instructions, directions, reports, notices or other communications or information to the Trustee and the Collateral Agent, including the risk of the Trustee or the Collateral Agent acting on unauthorized instructions, notices, reports or other communications or information, and the risk of interception and misuse by third parties.

Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. Where this Indenture or any Note provides for notice of any event (including any notice of redemption or repurchase) to a Holder of a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depository (or its designee) pursuant to the standing instructions from the Depository or its designee, including by electronic mail in accordance with applicable Depository procedures.

If a notice or communication to a Holder is mailed in the manner provided above, it shall be deemed duly given, whether or not the addressee receives it.

In case by reason of the suspension of regular mail service, or by reason of any other cause, it shall be impossible to mail any notice as required by this Indenture, then such method of notification as shall be made with the approval of the Trustee shall constitute a sufficient mailing of such notice.

Notwithstanding anything herein to the contrary, any notice to the Trustee shall be deemed given when actually received.

Section 12.12 Table of Contents, Headings, etc.

The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used herein and not otherwise defined have the meanings set forth in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. Optional Redemption.

At any time prior to June 1, 2022, the Issuer may, at its option, on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture, including any Additional Notes issued after the Issue Date, upon not less than 10 nor more than 60 days' notice, at a redemption price equal to 113.000% of the principal amount of the Notes redeemed, with an amount of cash no greater than the cash proceeds (net of underwriting discounts and commissions) of all Equity Offerings to the extent such cash proceeds are received by or contributed to the Issuer since the Issue Date, plus accrued and unpaid interest, if any, to but excluding the applicable Redemption Date; *provided that*:

- (1) at least 65% (calculated without giving effect to any issuance of Additional Notes) of the original aggregate principal amount of Notes issued under the Indenture (excluding Notes held by the Issuer and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and
- (2) each such redemption occurs within 120 days of the date of the closing of each such Equity Offering.

In addition, prior to June 1, 2022, the Issuer may, at its option, redeem the Notes on any one or more occasions, in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Make-Whole Redemption Date, plus the applicable Make-Whole Premium (a "Make-Whole Redemption"). The Issuer shall notify the Trustee of the Make-Whole Premium on or before the applicable Redemption Date, and the Trustee shall have no responsibility for verifying or otherwise for such calculation.

On or after June 1, 2022, the Issuer may, at its option, redeem the Notes on any one or more occasions, in whole or in part, upon not less than 10 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed to but excluding the applicable Redemption Date, if redeemed during the periods indicated below:

<u>Period</u>	<u>Percentage</u>
June 1, 2022 to May 31, 2023	106.500 %
June 1, 2023 to November 30, 2023	103.250 %
December 1, 2023 and thereafter	100.000 %

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date. The Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Notwithstanding the foregoing, in connection with any tender offer, if Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' prior notice, given not more than 60 days following the effective date of such tender offer, to redeem (with respect to the Issuer) or purchase (with respect to a third party) all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such tender offer (which may be less than par and shall exclude any early tender premium and any accrued and unpaid interest paid to any Holder in such tender offer payment) plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but excluding the Redemption Date or purchase date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date or purchase date. In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Notes have validly tendered and not validly withdrawn Notes in a tender offer, Change of Control Offer, Offer or Advance Offer, as applicable, Notes owned by an Affiliate of the Issuer or by funds controlled or managed by an Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such tender offer, Change of Control Offer, Offer or Advance Offer, as applicable.

In addition, the Issuer and its Affiliates may acquire Notes at any time and from time to time by means other than a redemption, whether by tender offer, open market purchases, negotiated transactions or otherwise, in accordance with applicable securities laws, so long as such acquisition does not otherwise violate the terms of the Indenture.

Notwithstanding the foregoing, the payment of accrued but unpaid interest in connection with any redemption of Notes is subject to the rights of a Holder on a record date for the payment of interest whose Notes are to be redeemed on or after such record date but on or prior to the related Interest Payment Date to receive interest on such Interest Payment Date.

6. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control or an Asset Disposition and subject to further limitations and exceptions contained therein, the Issuer may be required to make an offer to purchase outstanding Notes in accordance with the procedures set forth in the Indenture. Except as set forth in Sections 4.07 and 4.08 of the Indenture, the Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

7. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer or the Trustee may require a Holder to pay to it any taxes and fees required by law or permitted by the Indenture. The Registrar or

the Issuer need not register the transfer of or exchange any Notes or portion of a Note selected for redemption, or register the transfer of or exchange any Notes for a period of 15 days before a selection of Notes to be redeemed.

8. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.

9. Unclaimed Money. Subject to applicable escheat laws, if money for the payment of principal or interest remains unclaimed for two years, the Trustee will pay the money back to the Issuer at its written request. After that, Holders entitled to the money must look to the Issuer and the Guarantors for payment as general unsecured creditors unless an “abandoned property” law designates another Person.

10. Amendment, Supplement, Waiver, Etc. The Indenture, the Notes or the Note Guarantees may be amended or supplemented as provided in the Indenture.

11. Restrictive Covenants. The Indenture imposes certain limitations on the ability of the Issuer and its Restricted Subsidiaries to, among other things, consummate Asset Dispositions, Incur Indebtedness or issue shares of Disqualified Stock or Preferred Stock, create or Incur Liens, make certain Investments and other Restricted Payments, enter into consensual restrictions upon the payment of certain dividends and distributions by the Restricted Subsidiaries that are not Guarantors, enter into or permit certain transactions with Affiliates or consolidate, merge or sell all or substantially all of the assets of the Issuer and its Restricted Subsidiaries. The Indenture also limits the activities of Parent and Holdings. Such limitations are subject to a number of important qualifications and exceptions. Pursuant to Section 4.05 of the Indenture, the Issuer must annually report to the Trustee on compliance with such limitations.

13. Defaults and Remedies. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. Upon the occurrence of an Event of Default relating to the Notes, the rights and obligations of the Issuer, the Guarantors, the Trustee, the Collateral Agent and the Holders shall be as set forth in the applicable provisions of the Indenture.

14. No Recourse Against Others. No past, present or future director, officer, employee, manager, member, partner, incorporator or stockholder of the Issuer or of any Subsidiary or any Parent Entity (other than the Issuer in respect of the Notes and each Guarantor in respect of its Note Guarantee), as such, shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Indenture, the Notes Security Documents or the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability.

15. Guarantees. The Notes will be entitled to the benefits of certain Note Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture

for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee, the Collateral Agent and the Holders.

17. Security. The Notes shall be secured by Liens on the Collateral on an equal and ratable basis with any Fixed Asset Obligations, subject to Permitted Liens, on the terms and conditions set forth in the Indenture and the Notes Security Documents. The Collateral Agent holds a Lien in the Collateral for the benefit of the Trustee and the Holders, in each case, pursuant to the Notes Security Documents.

18. Authentication. This Note shall not be valid until the Trustee manually, by facsimile or electronically (including “.pdf”) signs the certificate of authentication on the other side of this Note.

19. Governing Law. THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

20. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TENANT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

21. CUSIP and ISIN numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers and/or similar numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers and/or similar numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
