On May 24, 2019, Cooper-Standard Holdings Inc. (the "Company") entered into an accelerated share repurchase ("ASR") agreement with Goldman Sachs & Co. LLC to repurchase an aggregate of \$30 million of the Company's shares of common stock, pursuant to the share repurchase program previously authorized by the Board of Directors.

Under the terms of the ASR agreement, the Company will receive an initial delivery of approximately 626,305 million shares on May 29, 2019. The final number of shares that the Company will repurchase under the ASR agreement will be based on the volume-weighted average price of the Company's common stock during the term of the repurchase period, less a discount. The ASR agreement is expected to be completed in the third quarter of 2019 but may be terminated early in certain circumstances.

This Form 8-K disclosure contains forward-looking statements, including statements regarding the expected settlement of the ASR. Forward-looking statements are subject to both known and unknown risks and uncertainties that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. These risks and uncertainties include, among others: the market price of Company's common stock during the repurchase period; the ability of Goldman Sachs & Co. LLC to buy or borrow the shares of Company's common stock; and the impact of global and regional economic and market conditions, including illiquidity and other risks of instability in the banking and financial services industry. Other risks and uncertainties that may apply are set forth in the risk factors section of the Company's most recently filed Annual Report on Form 10-K. The company assumes no obligation to update any forward-looking statements contained in this Form 8-K.
